MAKWA GLOBAL PROFESSIONAL SERVICES provides mission-focused administrative staffing, professional, scientific, and technical services to enable and ensure our client's mission success.

Makwa Global Professional Services, a subsidiary of Makwa Global, was formed to offer government agencies a new approach to Tribal Enterprise capabilities. Makwa Global, LLC is a Tribal Enterprise (TE) owned by the Mille Lacs Band of Ojibwe, a business-savvy tribe with over 30 companies and 5,000 employees throughout the world. Makwa companies are SBA 8(a) certified and have a diverse set of capabilities, experience, and history ranging from administrative staffing, IT solutions, advisory/consulting services, logistic services, travel services, static security, crisis management, and training to military, law enforcement, government, and commercial entities.

Makwa Global Professional Services is a mission-focused company that offers tailored services by providing highly qualified and experienced administrative and program support services personnel to enable our client's mission success. In addition, our strategic partnerships offer experienced leadership and technological experts capable of rapid and reliable delivery of IT cloud-based services.

STAFFING SOLUTIONS

Over the past 35 years, Makwa Global Professional Services has delivered support services to U.S. programs at the tactical, operational, and strategic level in more than 75 nations around the world, often in challenging environments. This experience has given us a domestic and overseas footprint and extensive experience to offer an adaptable organizational framework to reliably design and implement focused capabilities to meet our client's needs.

Makwa Global Professional Services is a mission-focused company with a diverse set of capabilities, experience, and history. We offer tailored services by providing highly qualified and experienced administrative and program support services personnel to enable our client's mission success.
