To Help

Help keep our Valley Clean, cover those trash cans on the way to the dump, don't put loose items in the bed of trucks and please don't Litter. You can also report uncovered Waste Management trash trucks to Waste Management and to the CSD (get the truck ID). This is a beautiful place to live, let's keep it that way.

We had a very minimal showing for our October 28<sup>th</sup>. trash pickup. Only six people the day of and two more signed up to do an area later. Eight people out of a community of almost four thousand homesites.

Even with only 6 people we managed to pick up 13 bags of trash and lots of large items as well. It is out there, you may not see it driving in your car, but it is there.

We would like to have more people get involved, younger people (we don't mean really young, we mean under 60). Most of our trash picker uppers range in age from mid-60's to 80.

I know it is hard to always come out on the day of trash pickup. If you are interested in doing an area one time or on an ongoing basis when it is convenient to you, please let us know and we will sign you up. We would also love to see some of our Bear Valley Clubs consider adopting an area to keep clean on an ongoing basis.

Thank you for anything you can do to help. Look for the announcement of the Spring Trash pickup date. Come out and join us, we need you.
