

HCA partners with The National Honor Society (NHS) to make tutoring services available on a weekly basis to elementary and middle school students who would like additional academic help. NHS members are on a rotation to provide tutoring by appointment.

Beginning on Tuesday, January 23, there will be 5 sessions available on each of the following mornings, for a total of 15 sessions offered per week.

Tutoring Location:	Media Center in the High School Building
Tutoring Days:	Tuesday, Wednesday, Thursday
Tutoring Time:	7:30-7:50 a.m.

Parents interested in tutoring services for their children must complete and submit the attached NHS Tutoring Agreement prior to the start of the week.

Two ways to submit the NHS Tutoring Agreement:

- Scan and email the completed form to Mrs. Vollrath ([cvollrath@harvesteracademy.org](mailto:cvollrath@harvesteracademy.org)).
- Send the completed form to your child's teacher for delivery to Mrs. Vollrath.

Tutoring services may only be scheduled with this completed form on file. Please direct any inquiries to Mrs. Vollrath ([cvollrath@harvesteracademy.org](mailto:cvollrath@harvesteracademy.org)).

Our NHS members look forward to serving our Harvester students!

Mrs. Candace Vollrath  
NHS Advisor

I agree that my child is allowed to receive tutoring services with an assigned active member of HCA's Chapter of the National Honor Society (NHS), during the pre-scheduled time and at the designated location.

I understand that all communication regarding tutoring will take place with Mrs. Vollrath, NHS Advisor, via email: cvollrath@harvesteracademy.org.

Should my child no longer need tutoring services, I will contact Mrs. Vollrath **at least 24 hours** before the next scheduled session.
