

Financing Options for Unified Bachelor's – Master's Program

M.S. in Technology and Creative Innovation (M.S.-TCI)

1. Program Summary

This accelerated program links CMKL to SIIE, KMITL, allowing students to earn a bachelor's degree and a Master's degree in a minimum of 5 years. The curriculum structure of the 1.5 year master program is designed in order for students to get a chance to complete it in 1 year. Bachelor's Degree title will be Bachelor of Engineering (B.Eng.) or Bachelor of Science (B.Sc.). Master's Degree title will be Master of Science in Technology and Creative Innovation. The Bachelor's degree is a 4-year program, students will spend the first eight (8) semesters (4 years) at SIIE, KMITL for bachelor courses and during that time, students will have an opportunity to take 1 master level course per semester offered by CMKL.
