

BRINSHORE

Savoy Square

LOCATION: Chicago, Illinois

USE: Mixed Income, Residential

TYPE: New Construction

COST: \$45 million

STATUS: Completed 2009

Set in a traditional neighborhood setting.

Savoy Square

- 138 apartments in a traditional neighborhood setting.
- Blend brick construction, intricate design details.

Innovations

- Intricate design details and lush landscaping.
- Few curb cuts to create a beautiful, pedestrian friendly urban environment.
- An innovative urban design model through its institutional / private sector partnerships.

Community Advantages

- 5,200 square foot community center and management office is augmented by a new two-acre urban farm, a partnership of Brinshore Development and Chicago Botanic Garden's acclaimed Windy City Harvest project.

Brinshore Partnership

- The Michaels Development Company

Awards

Named one of Multifamily Executive Magazine's 2011 Projects of the Year in the mixed-income category, Savoy Square is one phase of the redevelopment of the Robert Taylor public housing project.
