A Close Knit Compact Community.

Plowfield Square offers:

- 42-units in eight clusters of two-story townhomes and flats surrounding an internal boulevard.
- Each unit has its own front porch and entry door for convenience and interaction with your neighbors.
- Outside you have a Community Center, large green areas for outdoor recreation, a playground, and a picnic area, open to all residents.

Innovations

- The entire community is designed for energy efficiency to save you money and make your life more comfortable.
- The neighborhood qualifies as a compact development which limits the amount of space needed for buildings and maximizes the amount of open space for outdoor recreation and nature areas.

Community Advantages

- The Heritage Plaza shopping center is just a short distance away as are restaurants, grocery stores, banks, services and the Logan County Fairgrounds.
