

NZMA

group membership rates

The NZMA is offering a special, discounted group membership rate to groups of doctors that become NZMA members.

Group size:	Savings:
5–9 doctors	15%
10–19 doctors	25%
20+ doctors	50%

In addition to a discounted and single transaction subscription, the group will be able to engage with the NZMA on a group basis on matters of importance to them. You will of course also enjoy the same rights and privileges as individual members.

The discount applies to full membership subscription, or low income rate (if applicable), and payment is made via the group rather than the individual doctor. At least 75% of the doctors in the group must be members to be eligible to receive the discount.

To find out more about this offer please contact Robyn Fell on 0800 65 61 61 or email robyn@nzma.org.nz
