

People & Culture Statement

As adopted by the Board of Directors

The Education Foundation's vision and mission reflects our fundamental belief that all people belong and deserve equality, justice, and inclusion. Our strength comes from our diverse community, and we celebrate the visible and invisible qualities that make each person unique, including race, gender and/or gender identity, age, sexuality, ability, religion, national origin, and any other identity. We commit to aligning our culture, business practices, and servant heart to be a beacon of diversity, equity, inclusion, and belonging for all.
