IN THE SEX TRADE

## HOPE & HEALING

Wipe Every Tear is committed to bringing rescue and restoration in the lives of women trafficked in the sex trade. From safe places to call home, to education and holistic healing, women have the opportunity to have their lives fully restored.

— REFUSE TO DO NOTHING

# WHOLE PERSON TOTALLY SET FREE

## OUTREACH

Wipe Every Tear's dedicated staff and volunteers seek out bars in the Red Light Districts of Southeast Asia to meet women in desperate need of a helping hand. Through genuine relationships and the building of trust, we help facilitate their transition from the sex trade to a new life of freedom.

## ESSENTIAL NEEDS

Safe Homes are an integral part of Wipe Every Tear's mission. These homes serve as places of safety where women are provided with all of the essentials for living, including a bed, meals, and educational tools. Fully believing in holistic care, their medical and dental needs are also covered.

## HEALING

Through a holistic approach toward their physical, emotional and spiritual health, we commit to providing all they need for the hope of a new future. Discipleship and intimacy with Jesus are imperative to healing and transformation.

## EDUCATION

Education allows women to create a bright future for themselves and their loved ones. In many areas, a college degree or vocational training means the ability to find a dignified job that can sustain her and her family. Education is key to breaking the chains of sex trafficking.

## THE JOURNEY

Catalyzing the global community  
to boldly offer freedom to those  
trapped in the sex trade

## — VISION TRIPS

### PURPOSE

In the Philippines, the bars of the sex trade exist for foreign customers, so it is essential for Wipe Every Tear to invite non-Filipinos on trips in order to reach women trapped in the sex trade. The primary goal of Vision Trips for Wipe Every Tear is to offer freedom to captives and for them to come into our care.

set captives free

### REFUSE TO DO NOTHING

Our Vision Trips are very special as they give team members the full scope of why women are trafficked, what their journey to freedom is like, and how they are being restored in the care of Wipe Every Tear.

Team members minister to women in Wipe Every Tear's care, pray for those in urban poor communities, and participate in daytime meal outreach and nighttime outreach in the Red Light District. Most importantly, they discover more of the Lord's heart to free and redeem all of His people.

## COMMUNITY EVENTS

### RUN TO RESTORE SUMMER

Run to Restore is such a vibrant event! Over 200 people come to the Boise River Greenbelt each August in support of Wipe Every Tear's mission. Together, we celebrate the restoration and hope that women are experiencing in the Philippines. Our desire is to bring the Treasure Valley community together to spread the message of freedom while also raising money to see more women restored.

Partnerships with local businesses and individuals throughout the community help us put on the event and to provide coffee, food, live music, and an amazing course for participants to enjoy. All of funds raised helps us to cover our women's tuition fees and provide their food, housing, medical and dental care, and much more!

Our main goal is to increase awareness. Through testimonies regarding the issue of sexual exploitation and educating the local community on their role in ending this injustice, everyone is encouraged to join the family at Wipe Every Tear and get involved!

### GRATITUDE GALA LATE FALL

*Gratitude*: a quality of thankfulness that recognizes that the sources of good gifts are outside of our own selves.

This event exists to celebrate all that has happened in the last year at Wipe Every Tear, raise funds to support the transformation of 70+ women currently in our care, and thank our incredible community for their support! All proceeds fund the rescue and restoration of women set free from the sex trade in Southeast Asia.

The Gratitude Gala is a very special evening in Boise, Idaho, USA as the community anticipates it each year. From an expansive silent auction, to guest keynote speakers, a live band, and swing dancing, it is a night enjoyed across generations and from people across the country!

It is an honor to partner with businesses and individuals who provide auction items or purchase tables as sponsors.

We truly are so very *grateful*.
