

## ANNOUNCEMENT OF 2020 NRC SCHOLARSHIP PROGRAM

The National Railroad Construction & Maintenance Association (NRC) is pleased to announce the availability of scholarships for tuition assistance to children or grandchildren of employees of NRC member companies.

### ABOUT THE NRC

The NRC is the only trade association organized specifically to serve the needs of railroad contractors, suppliers, and the entire railroad and rail transit construction industry. NRC's primary objective is to advance the mutual interests of its members and the railroad and rail transit construction industry. The NRC works hard to expand rail construction and maintenance business opportunities, protect rail contractors from intrusive government regulation, and improve railroad construction safety and operations.

### AMOUNT OF AWARDS

This year, **three** total scholarships will be awarded as follows: the first place applicant will receive \$12,000, the second place applicant will receive \$6,000, and the third place applicant will receive \$3,000. Scholarship funds, awarded annually, will be sent directly to the student at the beginning of the next term of study. Students must be in attendance for a full year following receipt of the award.

### ELIGIBILITY

To be eligible for consideration, an applicant must:

- be a son, daughter, grandson, or granddaughter of a current employee of an NRC member company; and
- be enrolled at the time of application as a full-time college student at an accredited two-year college offering an associate's degree or an accredited four-year college or university offering a bachelor's degree, or a recent high school graduate enrolling at one of the institutions mentioned above.
