

THE TWO WAYS TO COLLECT CLIENT PAYMENTS

THE OLD WAY

VS

THE COCONSTRUCT™ WAY

Want to improve the project payment experience for you and your clients?

Collecting client payments the “old way” can be frustrating, slow, and over-complicated. You’ve done the work and earned the treasure, so why spend time and talent chasing it down? It’s time to take control with modern technology. Collecting payments should be simple, fast, and easy...for you and your clients to keep your projects moving.
