Pumps

Pumps

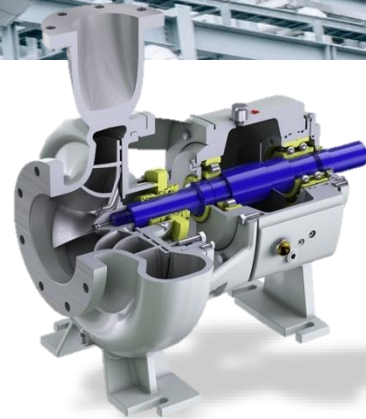

Air Operated Double Diaphragm

- Reliable proven technology
- Self-priming
- Massive stock and spares

WILDEN®

SULZER

Tuthill

Gear Pumps

- High Viscosity applications
- Chemical processing
- High Temperatures

Centrifugal End Suction

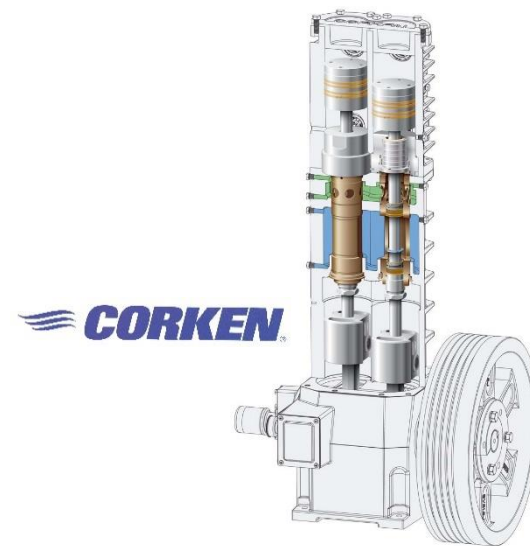

- All international standards
- World's leading manufacturers
- Robust heavy duty
- Highly efficient
- Cost effective

Titan
MANUFACTURING, INC.

Reciprocating Gas Compressors

- Multiple gases
- Vertical or horizontal
- Heavy Duty

Twin & Multi Screw Pumps

- Self-priming
- Low pulsation
- Low shear

CORKEN

Blackmer

Sliding Vane Pumps

- Positive displacement
- The world's leading manufacturers
- Robust heavy duty
- Highly efficient
- Cost effective

Progressive Cavity

- German quality
- Self-priming
- Ideal for condensate
- Up to 30 bar head

NETZSCH

*Pump & Machinery are pleased to be able to offer genuine Wilden pumps and parts, parallel imported to ensure competitive pricing and availability. Pump & Machinery warranty.

Meters

Accessories

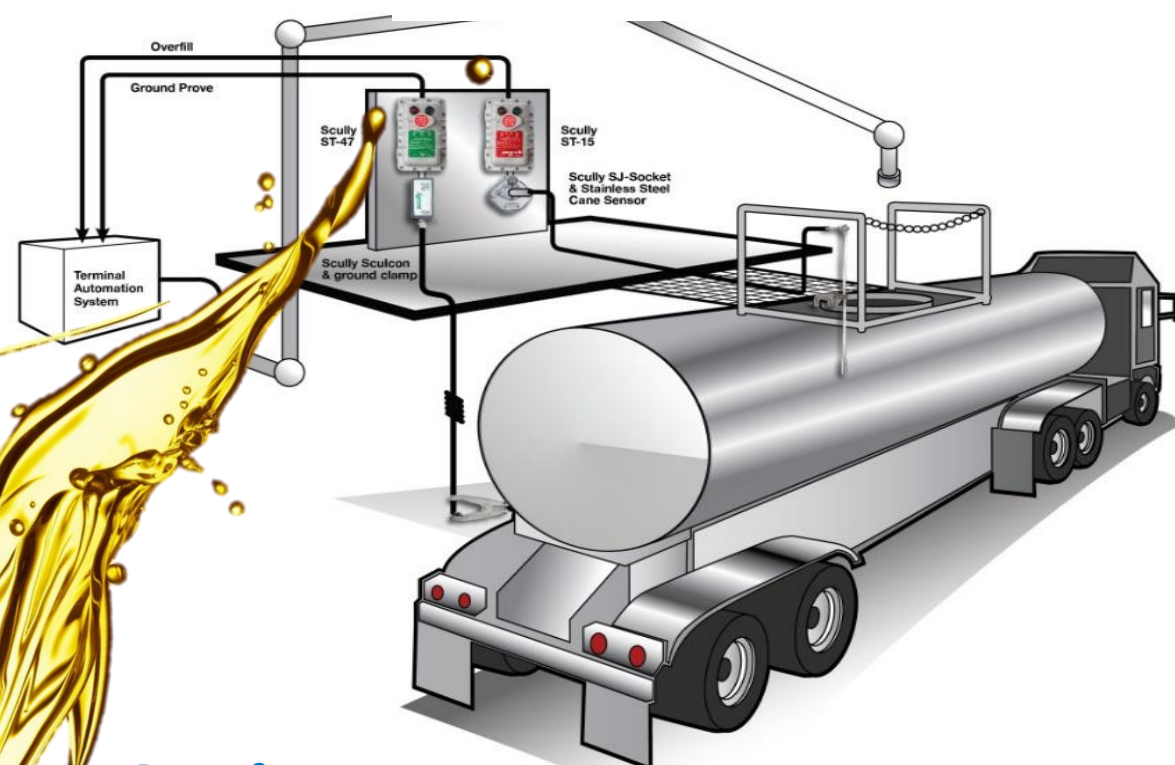

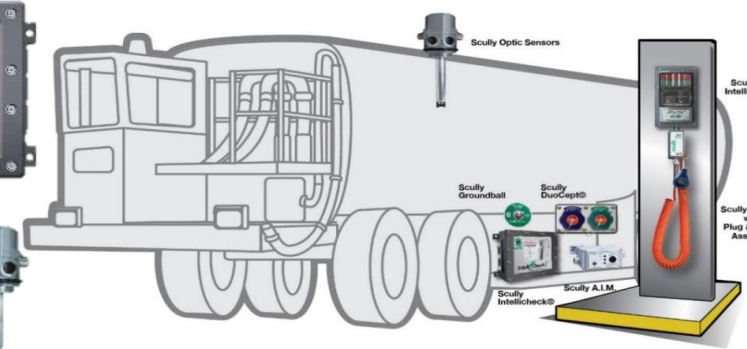

LC Meters

- Weights and Measures approval
- Mechanical or digital registers
- Highly accurate and calibrated
- Spares and maintenance
- Cost effective
- Selectronic replacement

Fuel Handling

- Overfill protection
- Static Grounding
- Intrinsically Safe

Drum Pumps

Bypass & Control Valves
