# PIPE FABRICATION

## QUALITY FROM ONSET TO INSTALLATION

### CAPABLE OF FULFILLING ANY DEMAND

Performance Contractors operates four state-of-the-art pipe fabrication facilities along the Gulf Coast, totaling over 300,000 square feet of functional shop space, as well as a centralized pipe support facility to meet any and all client needs in the most effective and timely manner possible. Our shops safely produce 2,700 pipe spools per week. Due to such a large operation, we've developed a proprietary, in-depth tracking system that allows our clients to monitor order status from onset to delivery and installation. Our shops are built for efficiency, utilizing a rolling schedule to provide timely and cost-effective delivery.
