

Training course on Tourette syndrome

16th Conference on Tourette Syndrome and Tic Disorders

ESSTS
essts.org

11 June 2024, Palace Grand Hotel Varese, Italy

This is our 3rd edition of the TS-school, a training course for TS beginners. The course is open to clinicians (physicians, psychologists, psychotherapists, nurses, medical students) and other professionals who are interested in the clinical aspects of TS.

The presentations and the Q&A session will be held in English.

All clinically relevant topics will be covered, including:

Diagnosis and definition of tic disorders

Nature of tics

Course of TS

Comorbidities

Differential diagnoses

Assessments

Pathophysiology including genetics

Treatment

Responsabile scientifico
Prof. Cristiano Termine (Italia)

Le relazioni si terranno in lingua inglese con traduzione simultanea in italiano

Accreditamento ECM per medici, psicologi, infermieri

Tammy Hadderly, MD

Lecturers

Natalia Szejko, MD, PhD

Nanette Mol Debes, MD, PhD

Christelle Nilles, MD

Kirsten Müller-Vahl, MD

Training course on Tourette syndrome

16th Conference on Tourette Syndrome and Tic Disorders

11 June 2024, Palace Grand Hotel Varese, Italy
