BBQ ALFRESCO RANGEHOODS

Schweigen BBQ Alfresco Rangehoods

"We have built an enviable reputation by offering the finest silent rangehood solution in the market today. Our partnership with European designers and manufacturers allows us to continue to bring quality appliances with outstanding value to Australian homes."

Anthony Fletcher.
Managing Director, Schweigen

Recently, Australian homes have revolutionised the outdoor living space, making it one of the most important areas for entertaining. Whether hosting a barbecue, or cooking for friends and family, Schweigen's BBQ Alfresco rangehoods enable you and your guests to experience a smoke and grease free environment. Australian families and barbecue enthusiasts are now able to enjoy restaurant quality, alfresco dining with functionality and style.

Alfresco Rangehood Wallmount // **CL7272S, CL7275S** // 120cm & 150cm // **SILENT EXTERNAL MOTOR**

// CL7272S (120cm)

When it comes to outdoor living, the CL7272S & CL7275S pride themselves on delivering optimal performance and precision. Using Schweigen's German Engineered Isodrive® technology, these stunning rangehoods bring powerful yet silent extraction to your cooking environment. Most notably, the CL7272S & CL7275S make a statement in design with their clean, modern lines and simple geometric shapes. Using robust high grade 304 stainless steel, these models deliver durability and excellence for any outdoor space or under-cover patio. These grand wallmounts are for entertainers who want to make a bold statement in their outdoor living area.

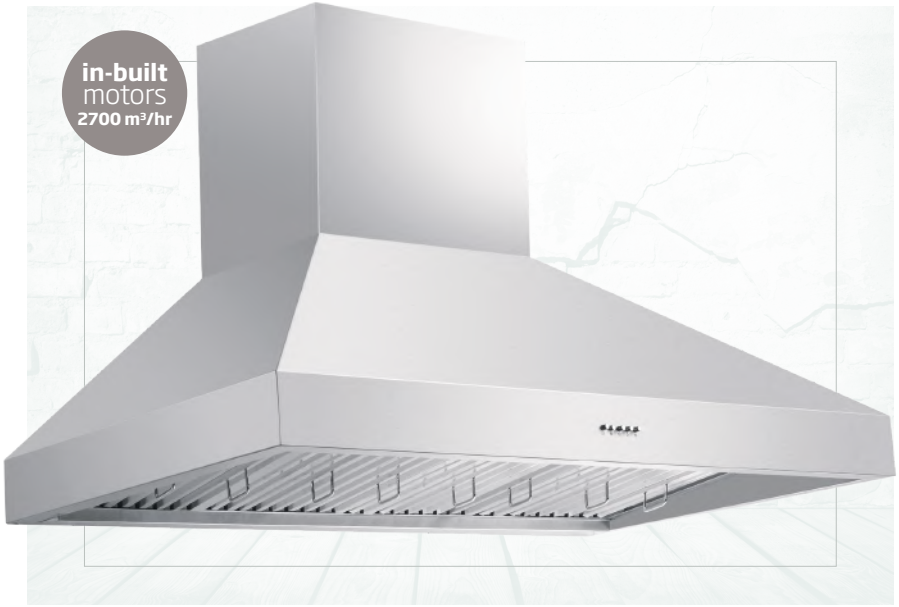
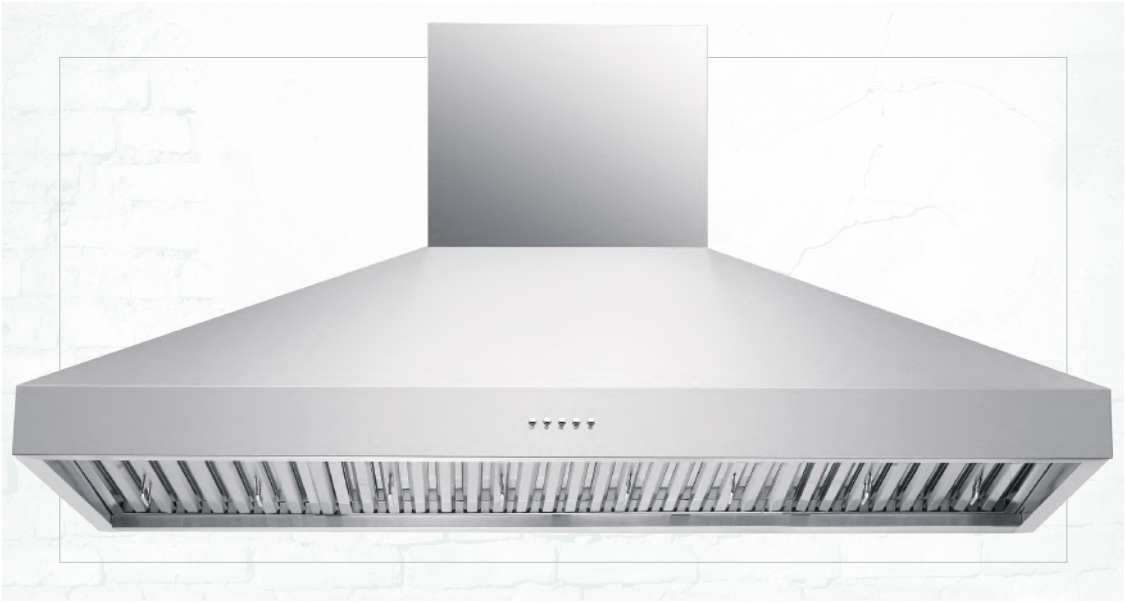
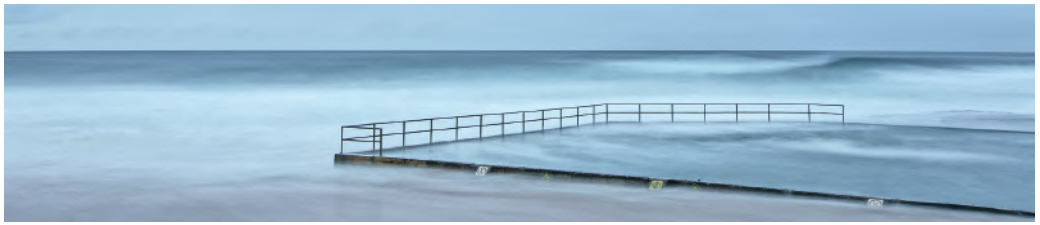
BBQ Alfresco Rangehood Wallmount // **CL8812, CL8815** // 120cm & 150cm // **TWIN IN-BUILT MOTORS**



// CL8812 (120cm)



// CL8815 (150cm)



This incredibly powerful, stately Wallmount rangehood comes in two measurement options of 120cm & 150cm. With twin, in-built motors providing a powerful airflow of 2700m³/hr, these rangehoods boast a match of performance with visual appeal. The CL8812 & CL8815 are built with the highest quality, robust stainless steel, and are specifically designed to withstand the harsh Australian environment. The innovative pyramid design consists of a considerably large extraction zone, effectively capturing smoke and grease over any barbecue with the touch of easy-push button controls.

DESCRIPTION

- quality 304 grade stainless steel
- 3 speed eye level push button control
- 3 x LED lights
- dishwasher safe, commercial grade baffles
- 3 Year Warranty
