- We employ 5 box truck drivers and have several 53' combo drivers in partnership. We specialize in rapid-response freight, and have extensive experience delivering goods to everywhere in Western Washington. Our drivers are professional, courteous, safe and competent. We have a small fleet of 24' box trucks, and a 16' for inner-city tight spots. Three of our trucks are refrigerated. We would love a chance at some increased business!
- Our experience to date includes Charlie's Produce, Bunzl, Sysco, FSA, HSA, US Foods and too many others to name.
