

WFIA EDUCATIONAL FOUNDATION DONATION REQUEST

Dear Prospective Sponsor:

As you know, October is traditionally the month the Washington Food Industry Association Educational Foundation (WFIAEF) hosts its annual "Best Bagger" event, highlighting the exceptional customer service skills of independent grocery employees from around the state. Regrettably, we have had to cancel this year's event due to COVID, as many of our member stores are unable to send their employees.

Because we are unable to host this year's event, we are asking businesses if they would consider donating to the Educational Foundation fund. These funds go to support and assist employees within the food, beverage, and convenience store industries to accomplish their goals of graduating from an esteemed certificate, bachelors or masters program. These programs assist employees in elevating their careers within the industry. We will recognize all sponsors on our website, posting your company logo and generous donation amount, as well as in mentions on social media.

Your continued support is greatly appreciated by the foundation and all of the individuals who benefit directly from our scholarships. If you are able to donate this year's sponsorship funds, please fill out the attached form and return by January 1, 2023 via email to melissa@wafood.org or contact our office at (360) 867-8837.

Thank you in advance for your willingness to support the efforts of WFIAEF, 501 (c)(3) Tax ID #46-0792997.

Sincerely,
