# Fusion Plus H8 | Sterling

## Strategy Overview

In pursuit of attractive targeted returns, Fusion invests in a broad range of asset classes designed to maximise its ability to deliver returns whilst minimising the associated risk.

The Fusion Strategies are constructed around a managed portfolio of collective investment schemes, delivering a unique combination of diversification, flexibility and efficiency

Fusion Plus H8 is for investors who are prepared to accept a higher level of risk in pursuit of higher returns. The strategy has significant exposure to equities and other higher risk investments, but retains some exposure to lower risk assets to improve diversification and control volatility.
