Dear {{First Name}},

Despite how careful you may be, accidents do happen. If you're involved in one, you can always reach our friendly, trained professionals at Accel by phone at 1-800-CAR-ACCL or online at www.AccelAutoInsurance.com. You can reach us 24/7 to file a claim, where most are settled within 48 hours of reporting the incident. You can file and track your claim anytime online, plus all repairs are guaranteed as long as they are done at any Accel-recommended auto shop.

We know that huge changes are taking place all around us, and we want to make sure you feel like you're always in good hands. That's why it's important to remember that Accel offers 24/7 access to trained professionals that are ready to find you instant savings to help you with all things car-related. When you get a free quote, you can also get a policy that's best tailored to the way you use your car, starting as low as \$50/month.

Stop worrying, and start living your life. Save money and benefit from all the great services we offer! Visit AccelAutoInsurance.com today, or call your local office at 1-800-CAR-ACCL today.

Sincerely,
