CUA31020

Certificate III in Screen & Media

This is an exciting, creative and hands-on qualification reflecting the role of a skilled operator in the film, television, radio or digital media industries who applies a broad range of competencies in a varied work context.

Delivered by industry professionals, you will learn how to shoot video, set-up lighting, record sound, edit and produce content for broadcast or digital publication. This course is designed for people wanting to start their career in the screen and media industry.

Pathways & Further Study

Successful completion of the Certificate III in Screen & Media gives an understanding of the concepts of media and leads to the Diploma of Screen & Media. Graduates may also use this qualification to gain employment in skilled assistant or skilled assistant operator roles in the screen, media and entertainment industries. It applies to work in interactive digital media, film and television, radio, lighting and sound, content creation and technical broadcasting environments.
