

Children's COVID-19 Vaccination Clinic

For Children Ages 5-11

Monday, November 29, 2021 ~ 3:30 to 6 p.m.
L.P. Quinn Elementary School Gym, Tupper Lake

Please consider joining us between 3:30 and 6 p.m. Monday, Nov. 29, for a children's COVID-19 vaccination clinic at the L.P. Quinn Elementary School gymnasium in Tupper Lake.

Pfizer-BioNTech pediatric vaccine will be available for all children ages 5-11,
with no out-of-pocket costs.

When: Monday, Nov. 29, 3:30-6 p.m.

Where: Gymnasium, L.P. Quinn Elementary School, 294 Hosley Ave., Tupper Lake, NY 12986

Light refreshments will be provided, but please make sure children eat prior to arrival.

Please also bring your child's health insurance card if they have one.
If not, don't worry about it.

No child between the ages of 5 and 11 will be turned away,
regardless of school district, county of residence, or insurance status.

The clinic will operate on a first-come-first-served basis,
with a required 15-minute observational waiting period after your child's shot.

A second-dose clinic will be held in the same location on Monday, Dec. 20.
Please plan to attend both, so your child is fully vaccinated.

Note: This clinic is for children ages 5-11 only. No adult vaccines or boosters will be available.
