

THE
PRE·K
PRIORITY

They're ready. Are you?

Start the Pre-K registration process at

PREKPRIORITY.ORG/REGISTER

Pre-K applications are now being accepted in Forsyth County for all children who will be four-years-old on or before August 31, 2023.

WHERE TO BEGIN?

We've made it easier for you to start the Pre-K application process. Go to **prekpriority.org/register** to find out if your family qualifies for free Pre-K. After you answer a few simple questions, you'll be directed to the local Pre-K option best for you. Pre-K slots are limited, so apply now to ensure your child's access to high-quality Pre-K.

WHY PRE-K?

Children are able to learn more and faster at age four than almost any other time in life. That's why they need the unique educational benefits of Quality Pre-K education. Pre-K prepares your child mentally, physically, and socially for kindergarten. And that means more overall success in school—which leads to more overall success in life.
