

Circular Module G2 18/24W

Product Description

The circular module is a low profile innovative design incorporating a driver. It is the perfect LED retrofit for light sources in circular surface mount luminaries with a similar appearance while saving 70% of energy costs and avoids ongoing replacement hassle and cost. With a life expectancy of 25,000 hrs. This module offers a unique magnetic mounting option eliminating any additional fixing to the base plate of your luminaries.

Supplied complete with driver

Unique Magnetic mounting for easy installation

Electrical Specifications:

Input Voltage:	100-240V AC
Power:	18W/24W
Operating Humidity:	10%~90%
Operating Temperature:	-10°C - 35°C
Power Factor (PF):	≥0.5
Power Supply Efficiency:	>90%

Mechanical Specifications:

IP Rating:	IP20
Warranty:	2 years warranty
Heat Sink:	High Density Aluminum
Fixing:	Magnetic/Screw

Photometric Specifications:

Initial Luminous Flux:	1800/2400lm
System Efficacy:	100lm/W
Color Rendering Index (CRI):	Ra >80
Color Temperature:	4000K

Product Information

Product Code	Power	Lumens	Dimensions
EP-G2M18-4K	18W	1800	D180mm x H20mm
EP-G2M24-4K	24W	2400	D180mm x H20mm

Installation Guidelines:

The module can be fixed using magnetic points or screwed to the base of the luminaries. Mains voltage must be terminated to the input terminals and covered with the terminal cover. This product must be installed by a certified electrician.

This product is designed in compliance with CE,ROHS.
