

Pole Top Luminaire

Overview

A CLASSIC DESIGN FOR A PERFORMING LED LANTERN

WHICH IS TYPICAL 4-FACED DESIGN, THE STYLISH LUMINAIRE BRINGS THE CLASSICAL STYLE LANTERNS INTO THE 21ST CENTURY.

Thanks to a modern twist on a classic design, the Retro easily blends into both historical city centres as well as areas with a more contemporary architecture.

The Retro is the ideal tool to create aesthetic consistency in cities composed of a mixture of heritage and modern architecture and who wish to highlight their historical patrimony while accentuating their commitment to the future.

Product Information

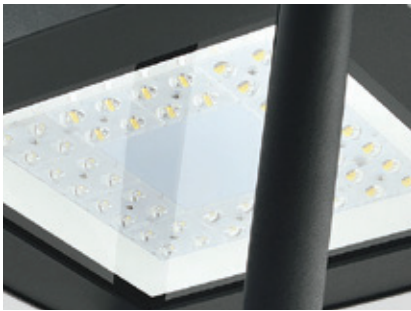

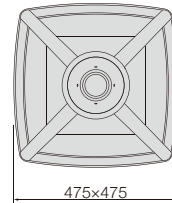

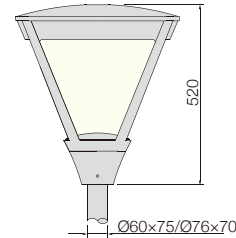

Product Code	Luminaire Power	Operating Power	Lumens	Distribution Types	Dimensions	Weight
EST-70NT1-4K	40W	100V-240V	3900	Type 1	476x476x520mm	12.0Kg
EST-70NT3-4K	40W	100V-240V	3900	Type 3A	476x476x520mm	12.0Kg

Technical Specification

Luminaire

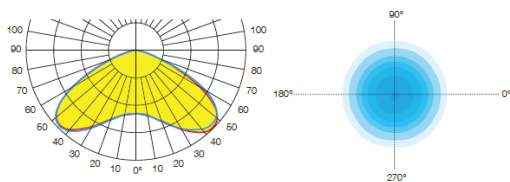

Light Source	CREE
Material	Die-Cast Aluminium
Coating	Anti-ageing electrostatic spray process, anti-corrosion
IK / IP Rating	IK09 / IP66
Colour Temperature	4000K
Colour Rendering Index	>70Ra
Pole Tenon Diameter	60mm - 76mm
