## **IndexAtlas Exits Naked Wines, Realizes 15.1% Return Over 25 Days Investment Period**

*December 15, 2023, Basel (Switzerland)*, -- IndexAtlas has successfully exited Naked Wines plc, the UK-listed wine trading company, realizing 15.1% cash-on-cash investment return over just 25 days investment period.

IndexAtlas created a structured trade around Naked Wines shares focusing on the leadership change momentum and expecting strong Q4 sales for the highly seasonal wine trading business, this bet paid off well ahead of the end of anticipated holding period of 6 months and had been automatically closed once actual investment return exceeded 15% (realized return translates into 217% annualized return for Naked Wines trade).
