

Woody

Woody
by Vicki Leach

WHAT

Woody is a fun and practical upholstered seating collection that features the distinct aesthetic of a fallen tree.

WHY

To harness the desire to break away from daily routine and capture nature indoors.

HOW

Made in the UK and built to last a lifetime. With the distinct aesthetic of a fallen tree, this collection is a playful way to remind us of the great outdoors. This recollection aims to subconsciously bring a feeling of emotional connection and joy.

These attributes can help you to achieve criteria towards LEED, BREEAM, Ska and WELL certifications.

Our aim is to develop a sustainable business that meets consumer needs without compromising our future welfare. Our products can contribute to the sustainability goals of a commercial project and we are proud to be able to offer FSC® certified products and use recycled metals. Where sustainable sources are quoted, and a chain of custody is required, this must be indicated on the purchase order. A chain of custody requested after an order has been placed will not be possible to recover. Figures stated in the summaries may vary based on model and options selected. Recycled calculations are taken from supplier information and industry data, as such material variables are likely to affect the figures which may result in changes to these percentages. This document is subject to change without notice.
