

# Naked

Naked  
by Gala Wright & Magnus Long

## WHAT

A simple chair and table range featuring a metal frame with a perforated steel or showwood/ upholstered seat and backrest for indoor and outdoor use.

## WHY

Simplifying the design and manufacturing to lower carbon emissions.

## HOW

Stackable chair design, reduced components and manufacturing partners.

MATERIAL	RECYCLED CONTENT	RECYCLABLE CONTENT	WEIGHT	Table 24kg	PRODUCTION
Mild Steel Bar	100%	100%	<b>KEY FEATURES</b>		Italy & Germany
Perforated Mild Steel	85%	100%	1	85-100% Recycled Steel	<b>GOOD TO KNOW</b> - *Based on Get Wasted finish - ** Other RALs available
Plywood			2	Fully welded	
Polypropylene / Polyethylene	0%	100%	3	Stacking bumpers	These attributes can help you to achieve criteria towards LEED, BREEAM, Ska and WELL building certifications.
Get Wasted Powder Coat	100%	0%	4	Recycled powder coat**	
			5	Durable glide feet	
			6	Made in the UK	

Our aim is to develop a sustainable business that meets consumer needs without compromising our future welfare. Our products can contribute to the sustainability goals of a commercial project and we are proud to be able to offer FSC®-certified products and use recycled metals. Where sustainable sources are quoted, and a chain of custody is required, this must be indicated on the purchase order. A chain of custody requested after an order has been placed will not be possible to recover. Figures stated in the summaries may vary based on model and options selected. Recycled calculations are taken from supplier information and industry data, as such material variables are likely to affect the figures which may result in changes to these percentages. This document is subject to change without notice.
