

Capsule

Capsule Collection
by Deadgood Studio

WHAT

A collection of lounge chairs and sofas whose form is derived from a simple capsule shape. The range offers a playful reference to both the solar system and sixties’ space-age adventure.

WHY

Designed for fun and irreverant break out areas that like to be a little bit different and evoke sense of adventure.

HOW

Made in the UK and built to last a lifetime, the pieces are designed with an organic, curvaceous profile which sets them apart from standard upholstery. This playful interpretation aims to build an emotional connection with the pieces.

These attributes can help you to achieve criteria towards LEED, BREEAM, Ska and WELL certifications.

Our aim is to develop a sustainable business that meets consumer needs without compromising our future welfare. Our products can contribute to the sustainability goals of a commercial project and we are proud be able to offer FSC®certified products and use recycled metals. Where sustainable sources are quoted, and a chain of custody is required, this must be indicated on the purchase order. A chain of custody requested after an order has been placed will not be possible to recover. Figures stated in the summaries may vary based on model and options selected. Recycled calculations are taken from supplier information and industry data, as such material variables are likely to affect the figures which may result in changes to these percentages. This document is subject to change without notice.
