

Parents Helping Parents: It's Who We
Are and What We Do.

Who We Are

Family Involvement Center is a Family-Run Organization. This means we are governed by the board composed of at least 51% parents who are or have raised children with unique challenges. Additionally, our staff are primarily parents who have “lived” experience navigating, advocating for and receiving services and supports to help their own children and families be successful.

Who We Serve

We help parents and family members who are navigating child-serving systems, such as Schools, the Department of Child Safety, Juvenile Justice, the Division of Developmental Disabilities, Behavioral and Physical Health Care, Foster Care, Adoption and more.

We also help adult members who are navigating their needs with life stressors such as Housing, Employment, Behavioral and Physical Health, Legal Systems, Child Welfare Involvement and more.
