DIVIDEND

In view of the challenging times being faced by the Man Made Fibres Industry and to conserve the resources, the Board has not recommended any dividend on the equity shares for the year 2015-16.

OPERATIONS

During the year under review, the Company achieved turnover of Rs. 127823 lacs as compared to Rs. 157276 lacs in the previous year resulting in decrease of approx. 19%. Decrease in turnover is due to decline in the prices of finished goods consequent upon decrease in the price of raw material and deep fall in crude prices. During the year under review, the Company has earned net profit of Rs. 2627 lacs as compared to net profit of Rs. 960 lacs in the previous year resulting into increase of 174% .

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

In respect of fire at Company's POY manufacturing unit at Dadra in November, 2012, the claim under fire policy had been received during FY 2013-14 and claim under loss of profit policy amounting to Rs. 647.26 lacs has been received during the year under review.

EXPANSION

The capacity expansion at its existing unit in Dahej, Gujarat is progressing well. The Company has successfully commenced commercial production for manufacture of 100 TPD of Polyester Fully Drawn Yarn in March, 2016 and is also in the process of capacity expansion of value added product - Draw Textured Yarn (DTY). The process of installing of 40 Texturising machines is progressing as per schedule. Upon completion of this expansion, the manufacturing capacity of Draw Textured Yarn (DTY) will increase by 200 TPD. Twelve Texturising machines have been installed on which production of approx. 60 TPD has started. The remaining machines would be installed in phases and likely to be completed by 30th September, 2016.

SUBSIDIARY COMPANY

Filatex Global Pte Limited, Singapore was incorporated on 3rd Nov, 2015 as a Wholly Owned Subsidiary of the Company. No material transaction/ business has taken place during the financial year ended 31st March, 2016 except for incorporation

expenses. The financial statement of the Subsidiary Company has been prepared and consolidated with the annual accounts of the Company in terms of Section 129(3) of the Companies Act, 2013. Pursuant to first proviso to sub-section (3) of section 129 read with rule 5 of Companies (Accounts) Rules, 2014, a Statement containing salient features of the Financial Statement of the said Subsidiary Company is annexed herewith as **Annexure "A"**.

FILATEX EMPLOYEE STOCK OPTIONS SCHEME, 2015

The Board of Directors of the Company had at its meeting held on February 12, 2016, granted 9,50,000 stock options ("options") to the eligible Employees of the Company under the Filatex Employee Stock Option Scheme 2015 (Filatex ESOS 2015), at an exercise price of Rs. 37 per option (being the closing price at BSE on February 11, 2016 i.e. immediately preceding the grant date). Each option is convertible into one Equity Share of the Company upon vesting & exercise subject to the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the terms and conditions of the Filatex ESOS 2015.

Diluted Earnings per share (EPS) taking the effect of issuance of options under Filatex ESOS 2015 had been calculated (refer Note No 29 of the Financial Statement).

Disclosures in terms of Regulation 14 of the SEBI (Share Based Employee Benefits) Regulations, 2014 are as under:

- (i) A description of each ESOS that existed at any time during the year, including the general terms and conditions of each ESOS, including -

Date of shareholders' approval	30 th September, 2015
Total number of options approved under ESOS	16,00,000
Vesting requirements	On completion of 3 Years from the date of grant of options -- 60% On completion of 4 Years from the date of grant of options -- 20% On completion of 5 Years from the date of grant of options -- remaining 20%
Exercise price or pricing formula	Exercise price is Rs. 37 per option (being the closing price at BSE on February 11, 2016 i.e. immediately preceding the grant date),
Maximum term of options granted	It depends upon the vesting period & exercise period of the respective options as determined by the Nomination and Remuneration Committee.
Source of shares (primary, secondary or combination)	Primary
Variation in terms of options	The exercise period has been modified in terms of shareholders resolution dated 12 th March, 20016.

- (ii) Method used to account for ESOS - Intrinsic or fair value

Intrinsic

- (iii) Where the company opts for expensing of the options using the intrinsic value of the options, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value of the options shall be disclosed. The impact of this difference on profits and on EPS of the company shall also be disclosed.

Particulars	Amount (Rs.)
a. Employee Compensation cost using Intrinsic Value method	Nil
b. Employee Compensation cost using Fair Value method	Nil
As the fair value of the share (Rs. 11.601) is less than the exercise price (Rs. 37), the company is not required to recognize any Employee Compensation Cost even if it had used the fair value method. Therefore, there would be no impact of using Fair value method of options on profits and on EPS.	

- (iv) Option movement during the year (For each ESOS):

GLOBAL ECONOMY

During the financial year 2015-16, global economic recovery continued, but at slow and increasing fragile pace .Overall sentiments remains subdued due to the amid weak aggregate demand, falling commodity prices and increasing financial markets volatility in major economies. Oil importing countries like India, Japan, China, and some Western European countries have actually benefited from lower crude oil prices. China has been a major net importer of crude oil in recent years. With the Chinese economy slowing down, a fall in crude oil prices will help by increasing its foreign exchange reserves. However, only a fall in crude oil may not be sufficient enough to help up the Chinese economy. China, now the world's largest economy on a "purchasing power parity" basis, is navigating a momentous but complex transition toward more sustainable growth based on consumption and services. Ultimately, that process should benefit both china and the world. Given China's important role in global trade, however, bumps along the way could have substantial spill over effects, especially on emerging markets and developing economies. Another threat is that persistent slow growth has scarring effects that themselves reduce potential output and with it, consumption and investment. For a few countries, like India, the fall in crude oil prices is good news, as it will help them control their current account deficit.

INDIAN ECONOMY

In 2015-16, the Indian economy grew at 7.56 % as compared to the growth rate of 7.3% in 2014-15. India is considered as 3rd largest economy of the world on "purchasing power parity" basis. Continuing its momentum, it is expected to maintain a high growth rate over the next 8-10 years. The manufacturing sector accelerated to 9.3 per cent, up from 5.5 per cent in the previous fiscal. The steps taken by the government in recent times have shown positive results as India's gross domestic product (GDP) at factor cost at constant (2011-12) prices 2015-16 is Rs 113.5 trillion (US\$ 1.668 trillion), as against Rs 105.5 trillion (US\$ 1.55 trillion) in 2014-15.

TEXTILE INDUSTRY OUTLOOK

Global Textile Industry

Polyester dominates the world fibre consumption contributing more than 60% of the overall fibre consumption. The rise in share can be attributed to the growing consumption of polyester in the developing countries. Polyester has overtaken cotton as the dominant fibre, but the cost and availability still plays a significant role in the inter-fibre substitution. Crude oil price and cotton prices will affect the demand for respective fibre in the world.

On the other hand, the Indian textile industry still is predominately a cotton-based industry. However, limited area under cultivation and erratic monsoon rain affects the cotton availability. Cotton also faces stiff competition from other Minimum Support price (MSP) based crops. Polyester consumption is expected to pick up gradually with increase in demand for apparels, home textiles and technical textiles as the macro economic scenario recovers.

Indian Textile Industry

Indian Textile sector continues to be the second largest employer in the economy, the first being Agriculture. The Domestic textile and clothing market size has grown to around \$76 billion out of which share of "Apparels" is \$56 billion. Home Textiles & all others including "Technical textiles" market is around \$20 billion in value. The textile sector growth has a strong co-relation to GDP. Indian GDP growth has outpaced other countries and India is being talked about as "Emerging Market". The fibres growth is 1.6 times the GDP growth. Keeping pace with this growth is possible through manmade fibres only. Thus Polyester fibre, the main stay of MMF segment, is poised for substantial growth

The opportunities for growth in Indian textile sector are enormous. Some of the rapidly growing sectors are Home Textiles, Lifestyle products & Automotive Textiles. Amongst emerging applications are Medical Textiles, Technical Textiles, Women wear, and Kids wear. New opportunities have emerged in Defence Textiles. These sectors are growing at a steady rate of 9 to 11%. Thus there is a very large domestic and global market which is largely untapped by Indian Manufacturers. A large market share of this is still in the hands of China, Korea and USA. It is opportune time that Indian textile industry puts up required capacities to produce the large volumes at competitive prices.

Currently domestic textile industry is passing through a bit of upheaval phase due to unabated cheaper imports of fabric from China. This has hit the domestic off take of Domestic Producers of fabrics & fibres.

On the overall production front, there is some hope, Textile sector showed an overall growth of 3.8%. Though cotton sector was a little subdued, MMF segments did well to contribute to overall growth. Polyester filament yarn contributing 80% of overall demand in domestic market which grew 5.8% in 2015-16 as polyester price decline by 18% YoY due to falling crude prices. A slight fall in export by 3% dragged overall demand growth to 4.1%. However, textured yarn export rose 11%. Polyester is the main stay amongst the man-made fibre. Its key raw material is PTA. For some incomprehensible reason, Govt. had imposed extremely high Anti-Dumping Duty. Supply chain of PTA is in the hands of three Companies and all domestic users now have to depend upon them. Indian polyester fibre producer were already at a cost disadvantage of \$50/tonne of PTA vis-a-vis polyester producer of other countries. The imposition of ADD has worsened the situation. PTA users have represented their grievance to concerned officials.

A timely decision to allow level playing field will give a big stimulus to polyester industry. If the ambitious targets of textile sector growth have to be achieved, polyester fibres sector has to flourish and take the lead.

Textile Industry is labour intensive. Indian Industry has good opportunity to compete as Indian labour costs are less than one third to that of china. To be able to compete aggressively, in addition to key raw materials, some more initiative is necessary by way of government policies and support. Key are as for support are uninterrupted power supply at competitive rates and availability of low cost funds for operation and modernisation.

FILATEX INDIA LIMITED – the Company.

Filatex India Limited is one of the major filament yarn manufacturer having three manufacturing facilities. The locations are at Dahej (Gujarat), Dadra (Union Territory of D&NH) and Noida (UP). The plant at Dahej is an integrated facility with continuous polymerisation. The products basket includes Polyester Filament Yarn, Polypropylene Filament Yarn, Draw Texturised Yarn, Fully Drawn Yarn, Textile Grade Chips, and Narrow Customized Fabrics & Monofilament Yarns.

Production Capacity of the Product	Production Capacity TPD	Capacity Under Expansion TPD
Polyester Chips	228 MT	-
Partially Oriented Yarn	310 MT	-
Fully Drawn Yarn	131 MT	14 MT
Drawn Textured Yarn	75 MT	150 MT
Polypropylene Yarn	26 MT	-

PRODUCTION PERFORMANCE

During the year 2015-16, the overall polymer production was less by around 8.2% on YoY basis. This reduction in production volume was due to shrinking margin in polyester chips. This chips production was reduced by 33% which in terms of volume was less by 21358 MT.

However the POY capacity utilisation was almost 100%. To add value to polymer, new FDY lines were commissioned in the end of fourth quarter. The New Lines are running at almost 100% capacity. Therefore, though the polymer capacity utilisation was less, the “value added products” capacity utilisation was almost 100%. To improve the product mix and capture incremental value some DTY machines have been installed at Dahej and these are also running at full capacity. Key input to DTY Machines is in-house manufactured POY.

(MT/p.a.)

Particulars	2014-15	2015-16
Partially Oriented Yarn (POY)	105182	106006
Polyester Chips	67821	46463
Fully Drawn Yarn (FDY)	12488	17768
Polypropylene Yarn (PP)	6157	5633

FINANCIAL PERFORMANCE (2015-2016)

Total income from business operation was Rs 1428.99 crores which is around 17.8% less than last year on YoY basis. This fall is due to continuous fall in raw material prices which have a direct linkage and strong co-relation to Crude prices. Though the polyester selling prices fell, the delta or the margin remain protected. Due to almost full utilisation of POY and FDY Capacity, the operating profit improved to Rs 98.13 crores, an increase of 10.8% on YoY basis.

Profit before tax also improved by 2.26 times YOY basis, to an amount of Rs 32.65 crores.

Profit after Tax also improved by 2.74 times as compared to last year.

(Rs/lacs)

Particulars	2014-15	2015-16
Total Income (including operating & other income)	174029.08	142899.10
EBIDTA	8856.59	9813.68
PBT	1439.47	3264.95
PAT	959.72	2626.99
Book value per share (Rs)	53.22	61.44
Earnings per share (Rs) (Basic)	3.12	8.21

OVERALL PERFORMANCE

In spite of volatile and declining raw material prices, which are linked to crude and caused inventory losses, the overall performance of the company improved. The operating profit increased to Rs 98.13 crores, gain of 10.8% YoY basis. This was achieved primarily by improving the product range. Addition of "Texturising Capacity" has opened up a larger market, spread all over the country & abroad. Filatex has begun export of texturised yarn. We now have our footprints in 22 countries across the world. During the current financial year, export realisation on account of Polyester yarns was around Rs 62 Cr.

GROWTH PLAN

Buoyed by the acceptance of its new product semi dull FDY, the company now plans to add bright polymer facility. Bright yarns are gaining increasing acceptance in non-apparel applications as well and growth in demands is good and sustainable. The Bright polymer will be utilised to produce Bright FDY, Bright POY and Bright Chips.

As the Company already has operating polymerisation facility, the bright polymer line will be at a "Fractional Cost" as compared to green field plant. The Company will not incur any expense on land, infrastructure like water, power, utilities, sewage drainage and no managerial manpower is needed. Additional recruitment will be only the direct labour.

The Company has discussed its plans with its principal bankers and have got favourable response. When bright polymer would be available, the company will have a diverse product basket of yarns- POY, DTY and FDY both in bright and semi dull segments in all variety of coarse and fine deniers. The Company's Product basket already has coloured, doped dyed yarn, customised to its customer needs.

- **In LP air Generation** ; The generating pressure setup has been optimised further and a separate distribution system for migration air has been installed.
- **In HP 7.0 Bar air Generation** ; IR cenrifugal air compressore started which has lower specific power consumption and stopped CPT reciprocating compressores . FDY suction gun modified to operate at lower pressure.
- **POY Quench air** ; filter cleaning , chilled water coil cleaning frequency increased.
- **Chillers** ; Lower efficiency old , 60 Hz , electrical chillers stopped and new 1000 TR Train chiller installed with Automatic Tube Brushing sytem for better evoparetor and condencer efficiency , also 1500 TR VAM chiller efficiency increased.
- **HTM Heaters** ; ID , FD and chain grate frequency optimized to reduce oil consumption and all hot insulation checked and attanded to reduce heat lossed in distribution network.
- **Lightings** ; LED lights provided In FDY & DTY area and light sensors provided in all godowns and outer street and open areas.
- **Water Conservation** ; The Treated RO Water Tank is converted in Aeration tank to increase the capacity of aeration tank , This has resulted in saving of chemicals like Sodium Carbonate ,Caustic Soda and which will ultimately result in reduced GIDC water consumption.
- **Power distribution losses** ; Power factor improved up to 0.997 and detuned filters provided to reduce current and voltage harmonics.
- Optimization & imprpovement of air cooling system to reduce usage of chillers.

2. Additional Investment and proposal, If any, being implemented for reduction of consumption of energy.

- 24 nos POY winders hydro splitting (Doubling) and 20 end FDY winders to increase prodution capacity.
- Additional Hot water VAM chiller to be used for HTM waste heat recovery by using HRU in exhuast line.
- Lighting voltage to be reduce up to 380 volt by separate transformer
- Modification & improvement of process system on regular basis as per market demand.
- LED Lighting and solar lighting Fixtures to be Installed
- ETP RO pump final pressure to be optimize to reduce pumping power .

3. Impact of the measure at (1) and (2) above for reduction of energy consumption and consequent impact on the cost of product of goods:

- Reduction in wastage and energy consumption per unit of yarn.
- Improvement in quality and productivity
- Lowering of equipment engagement load will result in longer life of equipment.

4 Total energy consumption and energy consumption per unit of production:

- The details are provided in form 'A' given below,

B) TECHNOLOGY ABSORPTION

- The details are provided in form 'B' given below,

C) FOREIGN EXCHANGE EARNINGS AND OUTGO:

- a) Activities relating to exports, initiative taken to increase export, development of new exports markets for product services and export plans

The company is continuously exploring the possibilities for increasing its exports to new markets.

TECHNOLOGY ABSORPTION, ADPTATION AND INNOVATION

1 Efforts in brief made towards technology absorption, adaptation and innovation

- Development of new products to cater to the market requirements : FDY & DTY is added in the Production capacity at Dahej Unit to cater different requirement of customers Intermingling air system introduced to improve the quality of POY Yarn
- Improvement / modification in process, equipments and products: The stress is laid on innovation in all the functions including production: The company has latest state-of-art machines and the company is continuously improving the processes of production to increase its production quality and consistency in its products. Market trends are regularly monitored to meet the requirements of the customers.

2 Benefits derived as a result of the above efforts, e.g. product improvement, cost reduction, product development, import substitution etc.

- Rationalization of manufacturing cost
- Enhanced manufacturing portfolio
- Improvement in operational efficiency and quality of product.

3 In case of Imported Technology (Imported during the last 3 years reckoned from the beginning of the financial year) following information may be furnished: - N.A.

INDEPENDENT AUDITORS' REPORT

**TO THE MEMBERS OF
FILATEX INDIA LIMITED**

Report on the Financial Statements

1. We have audited the accompanying financial statements of Filatex India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and, give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by 'the Companies (Auditor's Report) Order, 2016', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - i) The Company has disclosed the impact, if any, of pending litigations as at March 31, 2016, on its financial position in its financial statements - Refer note 30 to the financial statements;
 - ii) The Company has made provision as at March 31, 2016, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT, Report on the Internal Financial Controls

We have audited the internal financial controls over financial reporting of Filatex India Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those

policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2016
1. Nature of Operation

Filatex India Limited (hereinafter referred to as "the Company") is a manufacturer of Polyester Chips, Polyester/Nylon/Polypropylene Multi & Mono Filament Yarn and Narrow fabrics.

2. Statement of Significant Accounting Policies
a) Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended), and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on an accrual basis, except where stated otherwise. The accounting policies adopted in preparation of financial statements are consistent with those of previous year.

b) Use of estimates.

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Fixed Assets & Depreciation:

- i) Fixed Assets are stated at cost less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Borrowing costs relating to acquisition of fixed assets which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Subsequent expenditure relating to an item of fixed asset is added back for its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts are charged to the statement of profit and loss account for the period during which such expenses are incurred.

- ii) Depreciation has been provided on straight-line method on pro-rata basis at the rates & manner prescribed in Schedule II of the Companies Act, 2013.
- iii) Depreciation on the amount of additions made to fixed assets due to upgradation / improvements is provided over the remaining useful life of the asset to which it relates.
- iv) Depreciation on fixed assets added / disposed off during the year is provided on pro-rata basis.
- v) Lease hold improvements are amortized over the primary period of lease or useful life, whichever is lower.
- vi) Lease hold Land is amortized on straight line basis over the period of lease.

d) Expenditure incurred during the construction period.

- i) Expenditure directly relating to construction activity is capitalized (net of income, if any), Indirect expenditure incurred during construction period is capitalized as part of the indirect construction cost to the extent, to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure incurred during the construction period which is not related to construction activity nor is incidental thereto is charged to Profit & Loss Account.
- ii) Capital Work in Progress is stated at cost (including borrowing cost, where applicable) incurred during construction, installation/ pre-operative period relating to items or projects in progress.

e) Intangibles

Intangible assets, software's etc. are accounted at their cost of acquisition and amortized over their estimated economic life not exceeding 5 years. Leasehold improvements are charged to the Profit & Loss Account over the primary period of lease.

f) Impairment of Assets

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is defined as value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discounting factor.

g) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of such investments.

h) Leases

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly against income. Lease management fees, legal charges and other initial direct costs are capitalized.

If there is no reasonable certainty that the company will obtain the ownership by the end of the lease term, capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as expenses in the statement of Profit & Loss Account on a straight-line basis over the lease term.

i) Foreign Currency Transactions

i) Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

ii) Conversion

Foreign currency monetary items are reported using the closing rate. Non monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

iii) Exchange Differences:

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

In terms of the Notification No. G.S.R. 225(E) dated 31.03.2009 as amended till date issued by the Ministry of Corporate Affairs on Accounting Standard (AS-11) read with Clause 4(e) of AS-16 and Para 46A read with clarification issued by the Ministry of Corporate Affairs vide Circular No.25/2012 dated August 09, 2012 on AS-11 relating to "the effects of changes in Foreign Exchange Rates", the Company has exercised option to adjust the foreign exchange difference on long term foreign currency loans to the cost of qualifying capital assets.

iv) Forward exchange contracts not intended for trading or speculation purposes

The Company obtains forward exchange contracts to hedge its risk associated with foreign currency fluctuations. The premium or discount arising at the inception of forward exchange contract is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as an income or as an expense for the year.

j) Inventories

Inventories are valued as follows:

Raw material, consumables and stores & spares:

Lower of cost or net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if finished products, in which they will be incorporated, are expected to be sold at or above cost. Cost is determined on Moving Weighted Average Method.

Work in Progress and Finished Goods:

Lower of cost or net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty.

Waste

At net realizable value which is the estimated selling price in the ordinary course of business, less selling expenses.

k) Employees Benefits

The employees' gratuity fund and leave encashment schemes are the company's defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on the actuarial valuation using the Projected Unit credit Method.

l) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured.

Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyers. Sales are net of return, volume discount, trade discounts & sales tax /VAT including excise duty.

Export Benefits

Export benefits constituting duty drawback, incentives under FPS/FMS and Duty Free Advance License are accounted for on accrual basis.

Interest Income

Interest is recognized on a time proportion basis taking into account the amount outstanding and rate applicable.

Dividend Income

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Insurance claims

Insurance claims are recognized to the extent the company is reasonably certain of their ultimate receipt.

m) Borrowing cost

Borrowing cost attributable to acquisitions and construction of assets are capitalized as a part of cost of such assets upto the date when such assets are ready for its intended use and other borrowing cost are charged to Profit & Loss Account.

n) Accounting for Taxes on Income

Provision for tax on income is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961.

Deferred tax resulting from "timing difference" between book and taxable profit is accounted for using the tax rates and laws that have been enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in future.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss account and shown as MAT Credit Entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

o) Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

p) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

q) Contingent Liabilities.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

r) Earnings Per Share (EPS)

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. For the purpose of calculating Diluted Earnings per Share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year and adjusted for the effects of all dilutive potential Equity Shares.

41. During the financial year 2014-15, the company had proposed to put up manufacturing facility for manufacture of 100 MT/day of Polyester Fully Drawn Yarn, 30 MT/day additional spinning of polyester yarn along with 203 MT/day of Polyester Textured Yarn at its existing plant in Dahej, Gujarat.

The expenditure incurred on start-up and commissioning of the project along with certain revenue expenses attributable to assets under construction have been capitalised as an indirect element of the construction cost during the current

year. The trial run for FDY was carried out successfully during the year, and the FDY plant was commissioned and the assets are put to use. The assets for D-Tex machine and building are under construction and the expenses related to them have been carried forward for next year.

The Company has incurred certain revenue expenses attributable to assets under construction, which are capitalised along with the cost of fixed assets. Consequently, expenses disclosed under the respective notes are net of amounts capitalised by the company. The details of such expenditure incurred along with the expenditure attributable to assets pending capitalisation are given below:

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

**TO THE MEMBERS OF
FILATEX INDIA LIMITED**

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of FILATEX INDIA LIMITED ("the Holding Company") and its subsidiary (collectively referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2016, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2016 and their consolidated profit and their consolidated cash flow for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books;
- (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss, and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group's Companies is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Company and its subsidiary company incorporated in India, since the subsidiary company is not incorporated in India, no separate report on internal financial controls over financial reporting of the group is being issued;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact, if any, of pending litigations as at March 31, 2016, on the consolidated financial position of the Group— Refer Note 30 to the consolidated financial statements.
 - ii. The group had made provision as at March 31, 2016, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the subsidiary Company.

Other Matters

We did not audit the financial statements of subsidiary namely Filatex Global PTE Limited whose financial statements reflects total assets of Rs. 1.25 Lacs as at March 31, 2016 and total revenues and net cash outflows of Rs. Nil and Rs. 0.07 Lacs respectively for the year ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements, and our report on other Legal and Regulatory Requirements above, is not modified in respect of the above matters and the financial statements and other financial information certified by the Management.

CONSOLIDATED NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2016
1. Principles of Consolidation

- a) The consolidated financial statement relates to Filatex India Limited and its Wholly owned Subsidiary companies. The consolidated financial statements have been prepared on the following basis:

The financial statement of the parent company and its subsidiaries have been combined on a line by line basis by adding together the book value of like items of assets, liabilities, Income and Expenses. Intragroup Balances and Intra Group Transactions and resulting unrealised profits are eliminated in full as per Accounting Standard 21, Consolidated Financial Statement notified under companies accounting standard rules, 2006 (as amended). Unrealised Losses resulting from Intra Group transactions are also eliminated unless cost cannot be recovered.

- b) Details of Subsidiary company which is considered in the consolidation and the parent company's holding therein are as under:

S.No	Name of the Subsidiary Company	Country of Incorporation	Extent of Holding %	Extent of Holding %
			As on March 31, 2016	As on March 31, 2015
1	Filatex Global PTE Ltd	Singapore	100%	-

- c) The parent company follows the financial year ending March 31, 2016. The subsidiary company namely Filatex Global PTE Ltd follows the same financial year. The parent company has acquired stake in Filatex Global PTE Ltd on 3rd Nov, 2015. The Consolidated Financial statement have been prepared using uniform accounting policies for line transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the holding company's separate financial statements.

2. Statement of Significant Accounting Policies
a) Basis of preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended), and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on an accrual basis, except where stated otherwise. The accounting policies adopted in preparation of financial statements are consistent with those of previous year.

b) Use of estimates.

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Fixed Assets & Depreciation:

- i) Fixed Assets are stated at cost less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Borrowing costs relating to acquisition of fixed assets which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Subsequent expenditure relating to an item of fixed asset is added back for its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts are charged to the statement of profit and loss account for the period during which such expenses are incurred.

- ii) Depreciation has been provided on straight-line method on pro-rata basis at the rates & manner prescribed in Schedule II of the Companies Act, 2013.
- iii) Depreciation on the amount of additions made to fixed assets due to upgradation / improvements is provided over the remaining useful life of the asset to which it relates.
- iv) Depreciation on fixed assets added / disposed off during the year is provided on pro-rata basis.
- v) Lease hold improvements are amortized over the primary period of lease or useful life, whichever is lower.
- vi) Lease hold Land is amortized on straight line basis over the period of lease.

d) Expenditure incurred during the construction period.

- i) Expenditure directly relating to construction activity is capitalized (net of income, if any), Indirect expenditure incurred during construction period is capitalized as part of the indirect construction cost to the extent, to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure incurred during the construction period which is not related to construction activity nor is incidental thereto is charged to Profit & Loss Account.
- ii) Capital Work in Progress is stated at cost (including borrowing cost, where applicable) incurred during construction, installation/ pre-operative period relating to items or projects in progress.

e) Intangibles

Intangible assets, software's etc. are accounted at their cost of acquisition and amortized over their estimated economic life not exceeding 5 years. Leasehold improvements are charged to the Profit & Loss Account over the primary period of lease.

f) Impairment of Assets

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is defined as value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discounting factor.

g) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of such investments.

h) Leases

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly against income. Lease management fees, legal charges and other initial direct costs are capitalized.

If there is no reasonable certainty that the company will obtain the ownership by the end of the lease term, capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as expenses in the statement of Profit & Loss Account on a straight-line basis over the lease term.

i) Foreign Currency Transactions

i) Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

ii) Conversion

Foreign currency monetary items are reported using the closing rate. Non monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

iii) Exchange Differences:

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

In terms of the Notification No. G.S.R. 225(E) dated 31.03.2009 as amended till date issued by the Ministry of Corporate Affairs on Accounting Standard (AS-11) read with Clause 4(e) of AS-16 and Para 46A read with clarification issued by the Ministry of Corporate Affairs vide Circular No.25/2012 dated

August 09, 2012 on AS-11 relating to “the effects of changes in Foreign Exchange Rates”, the Company has exercised option to adjust the foreign exchange difference on long term foreign currency loans to the cost of qualifying capital assets.

iv) Forward exchange contracts not intended for trading or speculation purposes

The Company obtains forward exchange contracts to hedge its risk associated with foreign currency fluctuations. The premium or discount arising at the inception of forward exchange contract is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as an income or as an expense for the year.

j) Inventories

Inventories are valued as follows:

Raw material, consumables and stores & spares:

Lower of cost or net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if finished products, in which they will be incorporated, are expected to be sold at or above cost. Cost is determined on Moving Weighted Average Method.

Work in Progress and Finished Goods:

Lower of cost or net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty.

Waste

At net realizable value which is the estimated selling price in the ordinary course of business, less selling expenses.

k) Employees Benefits

The employees' gratuity fund and leave encashment schemes are the company's defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on the actuarial valuation using the Projected Unit credit Method.

l) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured.

Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyers. Sales are net of return, volume discount, trade discounts & sales tax /VAT including excise duty.

Export Benefits

Export benefits constituting duty drawback, incentives under FPS/FMS and Duty Free Advance License are accounted for on accrual basis.

Interest Income

Interest is recognized on a time proportion basis taking into account the amount outstanding and rate applicable.

Dividend Income

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Insurance claims

Insurance claims are recognized to the extent the company is reasonably certain of their ultimate receipt.

m) Borrowing cost

Borrowing cost attributable to acquisitions and construction of assets are capitalized as a part of cost of such assets upto the date when such assets are ready for its intended use and other borrowing cost are charged to Profit & Loss Account.

n) Accounting for Taxes on Income

Provision for tax on income is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961.

Deferred tax resulting from “timing difference” between book and taxable profit is accounted for using the tax rates and laws that have been enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in future.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss account and shown as MAT Credit Entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

o) Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

p) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

q) Contingent Liabilities.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

r) Earnings Per Share (EPS)

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. For the purpose of calculating Diluted Earnings per Share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year and adjusted for the effects of all dilutive potential Equity Shares.
