

Ekki sækja fólk þitt á flugvöllinn

- þau eru í sóttkví a.m.k.
fram yfir seinni sýnatöku

Þau sem koma til landsins þurfa að
taka flugrútu, leigubíl eða keyra sjálf.

Do not pick people up from the airport

- they are quarantined at least
up until their second testing

Arrivals must take the bus, a taxi
or drive themselves from the airport.
