### Happy 'Eggstra' Easter!

Happy Easter to you! I wonder whether you have eaten all of your Easter eggs yet? Perhaps, now that it is May, you may think that Easter is long past. However, for Christians all over the world, Easter is far from over – Eastertide lasts for a full 50 days each year. That means that every day in May is still Easter Day, still a chance to wonder at the story of Jesus, risen from the dead and, yes, still an opportunity (or excuse) to eat chocolate Easter eggs!

For me, the story of Jesus who was betrayed, killed and enclosed in a tomb – like the empty space in a hollow egg – is much more than mere story. Hidden deep in the darkness of that place of death, God's spark of life ignited, and Jesus came back to life again. That changes everything for Christians – we believe that he is still alive and here in everyday life through God's Spirit, bringing a new quality of life that can transform us. This is not just for the times when life is going well either. For each of us life will be difficult at times with worry or sadness. Even though the sun shines and the beauty of Spring transforms the landscape around us, many of us find ourselves in dark places unable to experience the sunshine. As human beings we do not always get things right and we can experience the betrayal of others. Easter is not about being falsely happy or putting a brave face on things. The truth of Easter is knowing that God can reach us and is with us whoever we are and however we feel.

So whether you feel empty and dark like the hollow centre of an egg, or shining with joy like the colourful foil on the outside, I pray that you may know the presence and love of God who seeks to bring you new life and hope. We have 50 days to wonder at the Easter story. I'm not sure I'd advise eating 50 chocolate eggs but perhaps buying another one in May might be a good suggestion, and as you eat it, I pray that you will experience, as I have done, the presence of Jesus in ways that go beyond rational explanation but that will change your life.

Happy Easter to you all!

## **MARY SANDERCOCK**

Many of you will have known Mary Sandercock who sadly died on 25<sup>th</sup> February aged 91.

She was born at Olney Field Farm, Barby, Nr. Rugby and then her family moved to Yelvertoft. When she married Roland, they bought the farm at South Kilworth where she lived until her death.

She was a long time member of the South Kilworth W.I. having held various posts over the years including President.

Mary loved her farm, and particularly her "beasts" who were like her babies, and was still going to feed the them in the early morning into her 90's.

She was a devoted Mum to William, Sue and Mark and grandmother and great-grandmother.

She was a devout member of the Congregational Church both in South Kilworth until it closed and Welford, where she also was a member of the Guild.

Alongside helping on the farm, she was a keen knitter and provided a lot of items for the Christmas shoebox appeal and other charities, and also supported St. Nicholas Church in many ways.

She was taken ill in the early part of January and died peacefully at home surrounded by her family on 25<sup>th</sup> February.

Mary was a wonderful, kind and generous lady who lived a long and happy life, and is greatly missed by all who knew her.

## SOUTH KILWORTH 2019 VILLAGE POOL TOURNAMENT – Chris Pearson triumphs

There were many who suggested a village pool tournament, but only Chris Barratt stepped forward to organise the event.

There were 16 players, randomly drawn into 4 groups with the top 2 in each group going through to a knock out stage. All players were encouraged to play their matches on a Thursday, partly because Chris told them they had to, but also because there was a great atmosphere as: occasional players locked horns with members of the two White Hart pool teams. There was an added benefit in that Daniel provided welcome sustenance on each of the Thursday nights. In fact all, bar one contestant, behaved themselves by appearing and playing on the required Thursday.

Conscious of previous feedback, I will go straight to a profile of the semi-finalists

Julian McQuillan Cragrats:- Won his quarter final against Simon Trace 2 – 0. By his own admission, has, like a couple of historic football teams in the North West, not realised his full potential during this pool season, but definitely has the all round game to beat anyone on the day

Richard Speake Cragrats:- Won his quarter final against Mark Tottman 2 – 0, and viewed by many as the clear second favourite, but with a game that could give the favourite a real run for his money

Leigh Birrell Cragrats:- Won his quarter final against Tom Berry 2 – 1. By his own admission very much a potter, who has yet to fully master the dark arts of safety and the ability to “tuck one’s opponent up” However his quarter final win demonstrated that there is the potential to develop this area of his game

Chris Pearson White Hart:- Won his quarter final against Chris Barratt 2 – 0, and viewed by the well informed, as the clear tournament favourite, after a season, where most weeks Chris won more matches than he lost.

The first semi-final saw Leigh take on Chris. Leigh broke and Chris, with his first visit to the table took the first frame. The second frame, whilst a little longer in length, followed a similar theme to the first frame and we soon had our first finalist

The second semi-final was a tense affair. The first frame was well over half an hour long, when both players declared a re-rack. An example of how well the two teams get on, is best illustrated by a number of the Cragrats deciding to create a San Miguel (other lagers are available, this just happens to be Chris’s drink of choice at the moment) fund to keep Chris well lubricated prior to the final. After the re-rack it was fate that the match went into a deciding frame which Julian finally emerged victorious after a titanic tussle and Chris had been well looked after on the beer front.

The first frame of the final was won by Chris and the question was, could Julian re-group and take the match into a decider?

Playing pool at the White Hart is a bit like playing cricket at Lords. This is because, whilst the White Hart is a Mecca for pool enthusiasts, there is like the slope at Lords, a challenge to normal pool playing conditions, in that the room is just not wide enough to play a pool shot with your own pool cue, if the white ball is close to the cushion.

Julian had engineered for himself an opportunity to take the frame, but as he went to take his shot, you could see him grimace, as he realised that he would have to use a smaller cue. This made a

reasonably hard, but makeable shot, that little bit harder. Unfortunately the pot was missed and Chris usually only needs one chance to clear a frame, and this was no exception.

A couple of minutes later, Chris was holding the trophy aloft as he became the new White Hart Pool Champion.

Thanks must go to Daniel, for providing and serving excellent beer throughout the tournament. In addition it should be noted that Daniel also provided excellent food on each of the 4 Thursdays.

Thanks should also go to Chris Barratt for organising the whole event. It was well planned, well supported, but Chris made sure that everyone played their respective matches (nearly) on time.

On a personal note I would just like to say that as a relative newcomer to Thursday night pool I have thoroughly enjoyed: the pool, the beer, the food and the company, so if you are at a loose end on a Thursday evening, why not pop down and see what it is all about. You are guaranteed a warm welcome.

## **NEWS FROM SOUTH KILWORTH PRIMARY SCHOOL**

April involved lots of Easter related activities for the children, starting with a visit for the year 5/6 children to the Lutterworth Methodist Church's "Encounters and Easter".

The next day we had an Easter Egg hunt in the school field, followed a couple of days later by the annual Easter Bingo at the village hall. Mr Wood was a fantastic bingo caller, and everyone had a great evening, especially the lucky winners! We would also like to say a massive THANK YOU again to our amazing local butchers Joseph Morris, who provided us with delicious sausages to serve on the night. Joseph Morris are so supportive of our school events, we are really lucky to have them in our village.

The Easter celebrations continued with our annual egg rolling on the last day of term. The children decorated hard boiled eggs, and competed to see whose egg rolled the furthest. This event is always very exciting for the children, especially as there are chocolate prizes to be had!

We've had some sporting success lately too, in the quick-sticks (like hockey) tournaments in Lutterworth. Year 3/4 did fantastically, coming top in their group, then winning the semi final 3-1. The final was a tense game, going into extra time, but a last minute goal saw South Kilworth win, and go on to represent the Lutterworth area. Year 5/6 also took part in a tournament, and played very well. They were given the referees' special "Spirit of the Game" award for their teamwork and collaboration skills.

Year 5/6 enjoyed a trip to the Birmingham Think Tank science museum as part of their "Tomorrow's World" topic, where they participated in The Electrifying Science Show! Meanwhile year 3/4 went to Warwick Castle for their "Towers, Tunnels and Turrets" topic, watched an archery show, and went to Knight School.

And finally - if anyone has any empty printer ink cartridges, we have signed up to The Recycling Factory, who we can send these cartridges to. This helps the environment and raises money for the school. Please either bring these to school, or drop them off at my house (29 Welford Road) - thank you.

## VALETE

After over half a century in this village John and Ruth Daltry have retired to Market Harborough.

They first lived at Ashridge on the North road before moving to their smallholding in The Belt. There in 1973 they established a vineyard, the first in England to be awarded the Soil Associations' organic certification.

They also grew vegetables and reared pigs. Over the years they employed many local workers and provided weekend and holiday jobs for the youth of the village.

Their philosophy of organic growing and eating decent food has sustained them in good health. John and Ruth, now in their 90's, are looking forward to a rather different lifestyle and we wish them much happiness in their new venture.
