

Dear Justice for Myanmar,

With reference to your featured stories of Exposed : Companies Brokering Arms and Equipment for Myanmar Military dated 11 Aug 2022, our company – Machinery and Solutions Company Limited was mentioned in Category B as following and Directors were listed under Directors and shareholders who have brokered arms and equipment for the Myanmar military.

**“Machinery & Solutions Co. Ltd - This company supplied spare parts for a MTU12V 331TC 92 marine diesel engine and an engine display unit for the Myanmar Navy in 2017, according to a leaked Ministry of Defence document concerning procurement.”**

Our company have/had NOT involved in the supply of spare parts for a MTU12V 331TC 92 Marine Diesel Engine and an engine display unit as stated or any of spare parts of MTU and in addition, our company – Machinery and Solutions Co., Ltd is NOT an active company or registered supplier for the supply to any of Military and its associated Entities.

Hence, we would sincerely like to request JFM to review this statement since it does not provide true and correct nature of our company’s reputation and position throughout our business establishment. Our company has been operating in Industry through competitive bidding with international practice and norms to both local and international clients, made possible by our young group of engineers.

In view of above, we would like to request the removal of our company, Machinery and Solutions Co., Ltd and Directors in this featured story and list. We would welcome if any of question or clarification that your organization might have.

Thank you.

**MACHINERY AND SOLUTIONS CO., LTD**
