Welcome To Bluscript Private Equity

At Bluscript Private Equity, we help our investors and company founders to make strategic decisions that are in harmony with Scripture Guided Christian values, and to offer the flexibility to back causes that are close to their hearts.

Tyler Greene
General Partner

By fostering a close connection based on shared fundamental beliefs, we offer you the chance to invest in projects that hold significance for you.

Vision And Mission

Vision

Bluscript Private Equity is an innovative private equity firm rooted in scripture-based principles. Operating from Prince Edward Island, our primary focus is supporting high-growth companies in Atlantic Canada as they strive to achieve their objectives.

Mission

We proactively scout for outstanding ideas and visionary entrepreneurs within Atlantic Canada, fostering their potential to establish highly scalable ventures.

What We Look For In Founders

Christian Values

We align ourselves with companies operated by people who hold strong Christian Values

Focus on upward mobility

We seek out entrepreneurs who aspire to expand their businesses through means such as acquiring other companies, increasing market share, and enhancing customer experiences.

Leadership

The entrepreneurs we work with prioritize their own business, but they also show a willingness to support others in our network. They offer advisory services, networking, and even assistance in finding employees or sharing resources.

Investment in employees

Our selection process for partnering with entrepreneurs involves seeking out individuals who are highly motivated, take pride in their company, and are dedicated to continually leading and improving their organization.

Our Approach

We look for investment opportunities in companies that have meaningful growth potential, sustainable differentiation or high value proposition.

What We Do

We invest our time, skills and money into high-growth opportunities, while adhering to strict Scripture Guided Christian principles.

Sectors

Blue Economy /
Health & Wellness
/ Sustainability /
Real Estate /
Ocean Tech /
Food Tech / A.I. /
Software / Clean
Tech

Strategy

Our investment strategy involves taking an influential position in companies, with a preference for those where the founder(s) team maintain significant equity interests in the business.

Transactions

We have a particular interest in investment opportunities such as Growth Capital Investments, Management Buyouts, Recapitalizations, and Divestitures.

Our Scripture Guided Focus

Development

We offer flexible marketing, development & financial solutions, scalable strategies, and executing missions to drive growth and success..

Stability & Commitment

We're committed to supporting our investees in making strategic decisions and investments that will contribute to sustained success beyond our involvement.

Financial Goals

Our goal is to build businesses that can thrive in the long-term, and we work closely with our partners to achieve this objective.

Community

We prioritize building a strong, ongoing relationship with our clients based on trust, communication, and transparency.

Development Strategy

At **Bluscript Private Equity**, we believe that your investments should reflect your values and bring you peace. This means investing in high-quality companies that meet both financial and values-based criteria.

- **History**

Tyler Greene is a serial entrepreneur, specializing in the clean tech sector. Tyler founded Bluscript Private Equity this year to help grow Christian businesses in Atlantic Canada.

- **Mission**

Our aim is to assist our clients in investing in companies that are making positive moral & ethical contributions to society.

- **Method**

We endorse companies making a positive impact on the world & We work with investors who want to promote Scripturally-Guided Christian Companies.

Contact Us

We founded Bluscript Private Equity to help bring forth the good works of our Heavenly Father and to grow his kingdom here on earth.
