- ★ We believe in the Cross of Christ and His blood atonement for the sins of the world, that whosoever believes in Him by faith shall be saved through God's grace.

- ★ We believe in the Second Coming of Jesus Christ.
- ★ We believe in the presence and the power of the Holy Spirit.
- ★ We believe in the Church, Christ's living body.
- ★ We believe in "believer's Baptism" as an act of obedience to Christ and the initiation into the body of Christ.

**God's Favor**

At thanksgiving time it's good to once again consider the great favor that God has shown us Americans. He has supplied all our needs according to His riches in glory in Christ Jesus (Phil.4.19). We have clean water to drink, food abundant, secure living environments, vehicles to drive and everything we need to keep our complex lives going. Thank you, Lord.

But the greater favor by far is His benevolent kindness to forgive our sins through Jesus Christ our Lord. "God demonstrated his own love towards us, in that while we were yet sinners, Christ died for us. Much more then, having now been justified by His blood, we shall be saved from the wrath of God through Him" (Rom.5.8,9).

In the context of His great favor towards us, He has given us the church, Christ's body, where we share in His gifting and "bear one another's burdens" (Gal.6.2).

And this is the real essence of God's favor: freedom of religion. That's why our Pilgrim forefathers came to America, and it's why our first amendment was framed around this principle.

It is God's divine will and His purpose that we should be made free in Christ. "It was for freedom that Christ set us free; therefore keep standing firm and do not be subject again to a yoke of slavery" (Gal.5.1).

We need to remember this Thanksgiving the real reason for being thankful. We need to remember the path of our forefathers, who knew the God of the Bible and His great favor to us. That aside from material well-being, we are most thankful for freedom to worship God and give praises to His name.
