

## WHAT WE BELIEVE

- ★ We believe in the bible as God's inspired and authoritative Word, our only rule for faith and practice.
- ★ We believe that Jesus is virgin born.
- ★ We believe that Jesus is the Christ, the God-man, fully God and fully man.
- ★ We believe in the Cross of Christ and His blood atonement for the sins of the world, that whosoever believes in Him by faith shall be saved through God's grace.
- ★ We believe in the bodily resurrection of our Lord Jesus Christ from the grave, the first fruits of those to come.
- ★ We believe in the Second Coming of Jesus Christ.
- ★ We believe in the presence and the power of the Holy Spirit.
- ★ We believe in the Church, Christ's living body.
- ★ We believe in "believer's Baptism" as an act of obedience to Christ and the initiation into the body of Christ.

## ***“A Future and a Hope”***

*"For in hope we have been saved, but hope that is seen is not hope; for why does one also hope for what he sees"*

*(Rom.8.24)?*

### **When to Worry**

Worry is a sin; we all know that. We need to trust God, pray our prayers believing and expect Him to answer. There's plenty of good, Scriptural evidence for such a plan: Ps. 103.2-5; Matt. 6.25ff; Mark 11.24; John 10.10; Phil. 4.6; Heb.11.6). Yet, we worry.

It doesn't help us to have the false news constantly reporting dire developments around us. We must remember to "Set our minds on the things above, not on the things that are on earth" (Col.3.20). The devil, like Rahm Emanuel, Obama's chief of staff, who said, "Never let a crisis go to waste," is always looking for ways to poison our faith.

Instead, we need to be filled with the "wisdom from above," to know when to worry.

Worry can be helpful, even therapeutic, when it takes place in a real context and not that set by the alarmists. When I worry about something within my capabilities, I usually can do something about it. I can't do much about global events, or societal conflicts, like rioting in our cities. Yes, I can always pray, and I should, but finally it's in God's providence.

We trust God to preserve, protect and guide us into the future when there's nothing that we can do personally to change things.

God is our shelter; He is our surety. When we put our faith in Him and stop listening to the worldly voices around us, then we'll move away from worry and into the life of faith.

### ***WMCAH Wagon Wheel House***

*We want to thank all the NHCF members who have been working on the "Transitional Housing" house in Wagon Wheel. It's nearly completed, and we look forward to housing clients soon. Please know that housing on the mountain is very tight. More needful people are asking for housing help. Keep praying for Victory Village to get past the hold-ups and to start building tiny houses.*

### ***\* Needed Happy Helping Hands \****

Meet with Kathy Copeland,

Saturday, February 26th @ 10 to package and organize food pantry at the church.

### **As We Grow**

This is an important time in the life of NHCF. We're growing. It takes all of us to respect and help each other find seating and space to fellowship. Your leadership is praying and looking into adding space to our building. As we grow may God be blessed.

*You might have missed it. Friday was our once a month "movie night," and we viewed "Marriage Retreat." All the films shown are "Christian faith-based," and offer life lessons based on God's Word. It's a good time of inspiration and fellowship.*

***Join us next time: Friday, March 11th.***

### **Watch Your Step**

*Winter conditions prevail right now. Our church parking lot and entryways into our building may be icy. Take care. Watch where you step and don't get in a hurry. We add ice melt where necessary, but please report any places needing attention.*
