

Father, this world sometimes bewilders me and is beyond my understanding.  
I see poverty and disease, storms and earthquakes, war and killing.  
Many hearts are bound by ego and fear.  
Please strengthen my faith in your higher purpose and open my mind to the truth that everything is unfolding according to your divine plan.  
Let compassion and love for my brothers and sisters flow from me and may we all be uplifted by your glory. Amen.

### Who Do You Believe?

We're living in a time of lies and deceptions. The innocent American public is at the mercy of the information handlers, who promote their own agenda to our exclusion and detriment. We are "the deplorables."

In times like these, it's necessary for believers to return to God's Word for reliable information. What should we believe and how should we then live? What does Jesus say, and more broadly, what does the Bible say?

Case in point: the "mask mandate." It now turns out that the CDC and its representatives, like Dr. Fauci, were peddling untrue propaganda about masks.

"The science" has since shown that masks are worthless in preventing disease, unless they are high tech, surgical masks.

God's Word says, "Bless the LORD, O my soul...who heals all your diseases" (Ps. 103). God's Word says, "...to give you a future and hope" (Jere.29.11). God promises us in Jesus to answer our prayers and to give us life and well-being. So, what do you believe?

Some will counter this view, saying in effect, "Yes but...we need to prepare for the worst and hope for the best." Okay, does this mean that we prepare first and pray and believe last? I don't think so. The life of faith is based upon the promises of God's Word, not the speculations of men.

We are called, as believers, to trust God (Prov.3.5,6). But, what if we die? Hallelujah! We'll be home in glory!

If this seems odd to you then it's time to review your faith life. Remember: "They overcame him (the devil...the chief propagandist) by the blood of the Lamb and because of the word of their testimony...and they did not love their life even to death" (Rev.12.11).

### ADDITION DRAWINGS

Your church leadership is considering the expansion of the commons area into the nursery and adding a new nursery and youth rooms beyond that to the east as an extension to the back of our building. Please view the drawings and give us your thoughts.

Remember to honor Jesus for Lent and put him first before your worldly attachments and interests.

### As We Grow

This is an important time in the life of NHCF. We're growing. It takes all of us to respect and help each other find seating and space to fellowship. Your leadership is praying and looking into adding space to our building. As we grow may God be blessed.

### CHOIR PRACTICE

AFTER CHURCH STARTING MARCH 27TH , WE WILL BE PRACTICING A BEAUTIFUL SONG FOR EASTER.

### The Mission

Our "mission statement" is: "To do things Jesus' Way, by Jesus' teaching, and for Jesus' glory." It's a nice thought, but it means nothing unless we act on it. So, we support nine missions on a monthly basis, both away and close to us.

We give of our time, talent and resources to the needs of our church family and to the community at large. We live the gospel. So is the challenge for each of us. Be Jesus in the world.
