

The St. Louis Children's Choirs

Concert Streaming Guide

— HDMI

Instructions

1. Click on the video link.
2. Plug in one end of HDMI cable into your computer's HDMI port.
3. Plug in the other end of your HDMI cable into one of your TV's HDMI ports.
4. Turn your TV to the proper input channel (such as HDMI 1, HDMI 2, etc.) .
5. *If you do not see the video playing on your TV*, check your computer's display preferences (or settings) and ensure that separate screens (or screen mirroring) is set to mirror your computer's display (as opposed to being set as a separate display screen).
