

# All-In Recruiting

STAFFING AGENCY | LAS VEGAS, NV

## IMPACT

All-In Recruiting, started in 2017, **focuses on leveling the playing field for minorities and women** in the tech industry.

Owner, Lauren Anderson began with the mission to **help underrepresented professionals in tech advance their careers** while making companies better with diverse and top talent driving performance.

Company's office doubles as a shared workspace, **giving anyone interested in tech careers a place to work on career growth and development.**

Company **hosts community events to help elevate careers for local residents** and provide tools people may need to enter into the technology field.

## COMMUNITY INSIGHTS

15.3% Poverty Rate

9.0% Unemployment Rate

## COMPANY OVERVIEW

Minority- and woman-owned boutique agency specializing in placing top talent and diverse professionals in mid- to senior-level positions for tech giants such as Microsoft.

## NEED

The company was seeking working capital that would allow for growth.

## RESULT

Our investment allowed the company to purchase new equipment, as well as provide working capital to hire new employees, increase marketing efforts and continue to expand business.
