

Tortillas, Inc.

FOOD MANUFACTURER | NORTH LAS VEGAS, NV

IMPACT

Company-provided wages helped 18 employees **replace government food assistance**.

Health benefits are provided to employees—**100% of whom are minorities**—contributing to greater household stability and wellness.

Accessible jobs, available to individuals with varying levels of education, are creating more employment opportunities in the community, growing the **local workforce**.

The company often hires and promotes from within, offering on-the-job training, job shadowing and company-wide training, **providing methods for employees to advance their careers**.

COMMUNITY INSIGHTS

14.5% Poverty Rate¹

14.8% Unemployment Rate²

COMPANY OVERVIEW

Tortillas, Inc., the first tortilla factory in Nevada, manufactures and supplies Mexican food products to retailers, restaurants and hotels in NV, UT and AZ.

NEED

Tortillas is looking to build a new facility, consolidating three buildings into one and increasing efficiency.

RESULT

Flexible and patient capital enabled Tortillas to purchase new packaging and kitchen equipment and refinance existing loans, helping it expand into multiple product lines instead of simply distributing them.
