

MOBILIER

by loeven morcel

---

To maintain the original appearance of your furniture over time, we recommend using a damp (not wet) cloth for dusting. For more tenacious stains, use a mild soap.

**Do not use** abrasive, paint thinners or any solvents, as they can damage the finish.

For additional information concerning maintenance, please contact us at [infos@loevenmorcel.com](mailto:infos@loevenmorcel.com).
