SEMINAR

The 35th Annual Osteopathic Winter Seminar will be held on January 17-20, 2024 at the Wyndham Grand Hotel on Clearwater Beach. This is the largest beach hotel with nearly 400 guest rooms.

The brand new modern décor of well-appointed guest rooms, each with a spectacular view of the Gulf of Mexico or the intercoastal Waterway, is inspired by the sugar white sands on the No 1 rated beach in the United States by Trip Advisors.

With its prime waterfront location, high-end design and wide array of first class amenities, this property is a significant addition to the Clearwater Beach Community. Services and amenities include a larger outdoor pool complex, a full-service spa, multiple restaurants assessable from Beach Walk, and immediate access to America's top beach.
