Best Practice

A method or technique that has been generally accepted as superior to any alternatives because it produces results that are superior to those achieved by other means.
"The problem is that we know too much about innovation successes and not enough about innovation failures."

Everett M. Rogers, Diffusion of Innovations
“Experience is something you get just after you need it.”

Stephen Wright
“I have not failed. I’ve just found 10,000 ways that won’t work!”

Thomas Alva Edison
Axiom of Innovation

“Failure is an intrinsic step toward success.”

SURVEY SAYS...
Learning From Our Worst Practices

Everyone makes mistakes - but not every one learns from their mistakes - and even fewer change their behaviors after they make mistakes.
