

Choosing an English Product

SIDE-BY-SIDE COMPARISON OF INSTRUCTIONAL DELIVERY METHODS

	Hippo Campus WEB-BASED TOOL	NROC ENGLISH LMS-INSTALLED COURSE	EdReady WEB-BASED TOOL
Product name	HippoCampus (member branded)	Developmental English	EdReady (member branded)
What is it?	A website boasting thousands of free, multimedia learning objects, including nearly 200 English objects, correlated to state standards.	10-unit curriculum, used as standalone or as a supplement. Each instructional unit follows a sequence of integrated reading and writing experiences.	Provides customized curricular scopes and personalized self-study curricula — a complete diagnostic and intervention system. Study resources may include any NROC course material and / or other collections.
How can it be customized?	Instructors can curate a curricular playlist to share.	Instructors can inject their own content and remove existing content at the unit level.	Extensive customization. Define goals, design curricular scopes, and select study resources.
How is student progress tracked?	Student tracking is not available.	Progress is available via web-based NROC Course Manager and via native LMS tools.	Progress is available via secure web-based teacher / administrative login.
How do students access it?	Via a web browser. No student login required.	Course must be installed in institution's LMS.	Via a web browser with login. Students create their own accounts. SSO available.

QUESTIONS TO ASK YOURSELF...

NROC courses and tools are designed to support a variety of instructional delivery methods and use cases.

To choose the course or tool appropriate for you, consider your curricular needs, pacing, and data requirements.

What are our curricular needs?

- INDIVIDUAL LEARNING OBJECTS
- CUSTOM CURRICULAR SCOPES PAIRED WITH INTERVENTIONS
- FULL CURRICULUM *as primary or as a supplement*

How will instruction be paced?

- PACING NOT APPLICABLE
- FULLY INSTRUCTOR PACED
- COMPLETELY STUDENT PACED

What student progress data do we need?

- NO PROGRESS DATA
- UNIT-LEVEL QUIZZES AND EXAMS, PLACEMENT AND SUMMATIVE TESTS *(in LMS)*
- DIAGNOSTIC RESULTS, TIME SPENT STUDYING, AND WHICH RESOURCES STUDIED *(in the cloud)*

Match the symbols of the responses you selected above with the symbols of the product names below to reveal the best fit for your needs. Contact your NROC representative to help you with next steps.
