01:00:04.000 --> 01:00:13.000

We're just informal today.

01:00:13.000 --> 01:00:17.000

Hi, Tim.

01:00:17.000 --> 01:00:27.000

Good to see you.

01:00:27.000 --> 01:00:29.000

Oh, yeah. I was going to suggest that I,

01:00:29.000 --> 01:00:31.000

I haven't done it either that we may be add where we're from on our

01:00:31.000 --> 01:00:34.000

names, rename ourselves to include what, where we were.

01:00:34.000 --> 01:00:35.000

Where we're from.

01:00:35.000 --> 01:00:37.000

So that when we're in breakouts, people.

01:00:37.000 --> 01:00:38.000

People can talk about.

01:00:38.000 --> 01:00:40.000

The weather more accurately, perhaps.

01:00:40.000 --> 01:00:42.000

Terry, you're not in presentation mode.

01:00:42.000 --> 01:00:43.000

Okay.

01:00:43.000 --> 01:00:45.000

That's because I was.

01:00:45.000 --> 01:00:50.000

Doing other things. Thank you.

01:00:50.000 --> 01:00:55.000

So, yeah.

01:00:55.000 --> 01:01:02.000

Rename yourself to let us know where you're joining us from.

01:01:02.000 --> 01:01:04.000

Tim you're muted, but I want to know what's behind you.

01:01:04.000 --> 01:01:11.000

It's so gorgeous.

01:01:11.000 --> 01:01:13.000

I'm I'm un-muted. Now I'm trying to look for.

01:01:13.000 --> 01:01:15.000

And forgive me because.

01:01:15.000 --> 01:01:21.000

I'm not used to zoom. I'm used to meet.

01:01:21.000 --> 01:01:24.000

And I'm not sure where to change the name part. I know.

01:01:24.000 --> 01:01:26.000

Green dots three.

01:01:26.000 --> 01:01:27.000

Three dots next to your name,

01:01:27.000 --> 01:01:29.000

there should be an option that says rename.

01:01:29.000 --> 01:01:30.000

Purchase that list.

01:01:30.000 --> 01:01:31.000

Green name. There we go.

01:01:31.000 --> 01:01:32.000

Yeah.

01:01:32.000 --> 01:01:34.000

If you let us know where you're joining us from.

01:01:34.000 --> 01:01:40.000

Let me know how to say your name.

01:01:40.000 --> 01:01:42.000

Indeed. I'm writing it from Louis community college.

01:01:42.000 --> 01:01:44.000

My name is Hamad Jaffe.

01:01:44.000 --> 01:01:45.000

Thank you Hamad.

01:01:45.000 --> 01:01:46.000

Yes, ma'am.

01:01:46.000 --> 01:01:52.000

Thanks for joining us.

01:01:52.000 --> 01:01:58.000

So today's just a fun session. We're just a really informal.

01:01:58.000 --> 01:02:02.000

We miss seeing each other at our member meeting this year. So we're.

01:02:02.000 --> 01:02:06.000

Just trying to see each other virtually as we kick off the summer.

01:02:06.000 --> 01:02:15.000

So we're going to give folks a few more minutes to arrive.

01:02:15.000 --> 01:02:19.000

Jill. I just got a note from Amanda that she's Amanda buyer,

01:02:19.000 --> 01:02:22.000

but she's taking her baby to the hospital.

01:02:22.000 --> 01:02:23.000

So.

01:02:23.000 --> 01:02:24.000

I don't know what the

01:02:24.000 --> 01:02:27.000

fever.

01:02:27.000 --> 01:02:34.000

So Terry you're asking where that's from.

01:02:34.000 --> 01:02:35.000

Okay, so it's,

01:02:35.000 --> 01:02:39.000

so my school division is just east of Calgary and Canada and Alberta.

01:02:39.000 --> 01:02:47.000

And this is a park.

01:02:47.000 --> 01:02:51.000

In the city of Calgary called elbow park and we take our grandkids

01:02:51.000 --> 01:02:53.000

there. It's kind of like hiking trails.

01:02:53.000 --> 01:02:56.000

It's not like the mountains or anything, but it's really kind of very,

01:02:56.000 --> 01:02:58.000

very nice area. And it's just good memories.

01:02:58.000 --> 01:02:59.000

It's gorgeous.

01:02:59.000 --> 01:03:01.000

John's actually live from his favorite place.

01:03:01.000 --> 01:03:06.000

I did mark my favorite place, which is a hot dog stand in Reykjavik.

01:03:06.000 --> 01:03:10.000

[Unknown] summer and it's when you know it's one in the

01:03:10.000 --> 01:03:12.000

morning and it's still light out or still aligned for hot dogs.

01:03:12.000 --> 01:03:14.000

That's great.

01:03:14.000 --> 01:03:15.000

Danny you're being shy. Did.

01:03:15.000 --> 01:03:17.000

Did you or Angie, mark Tahoe on that map?

01:03:17.000 --> 01:03:18.000

I did.

01:03:18.000 --> 01:03:20.000

I wasn't sure if I did it right. But yes, you do.

01:03:20.000 --> 01:03:25.000

I was so jealous when Jason told me.

01:03:25.000 --> 01:03:26.000

I think it was last week,

01:03:26.000 --> 01:03:33.000

his son went to kind of a summer camp thing and.

01:03:33.000 --> 01:03:36.000

Darn instead of commuting back and forth from Sacramento to Tahoe,

01:03:36.000 --> 01:03:39.000

they just decided to stay there for a week. I, I know it's hard.

01:03:39.000 --> 01:03:40.000

Difficult, you know,

01:03:40.000 --> 01:03:42.000

Being a parent in those situations.

01:03:42.000 --> 01:03:44.000

I was so jealous. That was a top of my mind.

01:03:44.000 --> 01:03:45.000

Right.

01:03:45.000 --> 01:03:56.000

Great.

01:03:56.000 --> 01:03:58.000

All right. Looks like we got a few more folks rolling in.

01:03:58.000 --> 01:03:59.000

We'll give people a little extra time.

01:03:59.000 --> 01:04:01.000

That's why I got this up play activities up here.

01:04:01.000 --> 01:04:04.000

So we hope folks will say hello to one another in the chat.

01:04:04.000 --> 01:04:06.000

If folks are just arriving.

01:04:06.000 --> 01:04:08.000

The Padlet link that we're talking about. Let me see.

01:04:08.000 --> 01:04:14.000

It's right there. Thank you, Jill.

01:04:14.000 --> 01:04:16.000

Andy and Danny, you're not changing your backgrounds.

01:04:16.000 --> 01:04:18.000

How many you're not teaching your back.

01:04:18.000 --> 01:04:19.000  
That's okay.

01:04:19.000 --> 01:04:21.000  
Sorry.

01:04:21.000 --> 01:04:25.000  
We're planning.

01:04:25.000 --> 01:04:32.000  
We're just playing.

01:04:32.000 --> 01:04:33.000  
Yes, because we,

01:04:33.000 --> 01:04:36.000  
we might as well learn a new technology while we're celebrating the

01:04:36.000 --> 01:04:37.000  
end of learning new technology.

01:04:37.000 --> 01:04:39.000  
Cause it's never really done. Right.

01:04:39.000 --> 01:04:49.000  
Welcome to everyone.

01:04:49.000 --> 01:04:52.000  
When it's arriving recruiting folks to share their cameras today,

01:04:52.000 --> 01:04:54.000  
to use the virtual background,

01:04:54.000 --> 01:04:59.000  
representing your favorite place to be in the summer.

01:04:59.000 --> 01:05:00.000  
Or if you want,

01:05:00.000 --> 01:05:03.000  
you can play along with our little Padlets that Jill's been putting in

01:05:03.000 --> 01:05:05.000  
the chat to mark a space on a map.

01:05:05.000 --> 01:05:07.000  
Of the world.

01:05:07.000 --> 01:05:09.000  
Has John just put something in Reiki of Reykjavik. Sorry.

01:05:09.000 --> 01:05:15.000  
So we hope you'll play around.

01:05:15.000 --> 01:05:17.000  
There's there's Angie on the beach with the moving

01:05:17.000 --> 01:05:27.000  
trees.

01:05:27.000 --> 01:05:30.000  
Okay are only five of us going to play on video six.

01:05:30.000 --> 01:05:32.000  
I can't count.

01:05:32.000 --> 01:05:34.000  
Welcome Kristen. Hi dad. I penny.

01:05:34.000 --> 01:05:35.000  
Penny.

01:05:35.000 --> 01:05:36.000  
Hello.

01:05:36.000 --> 01:05:41.000  
And rock group.

01:05:41.000 --> 01:05:45.000  
Penny.

01:05:45.000 --> 01:05:47.000  
Nice to see you again, John.

01:05:47.000 --> 01:05:49.000  
I see Danny's air.

01:05:49.000 --> 01:05:50.000  
Hold on the gangs all here. Nice.

01:05:50.000 --> 01:05:56.000  
Hey baby.

01:05:56.000 --> 01:06:00.000  
Well, we're just incurred. Yeah. Thank you.

01:06:00.000 --> 01:06:05.000  
Hello from Southwest Edgumbe high school Ellington. Hi, welcome.

01:06:05.000 --> 01:06:09.000

Thanks for saying hello in the chat again, everyone's encouraged to.

01:06:09.000 --> 01:06:11.000

If you don't want to turn on your videos,

01:06:11.000 --> 01:06:13.000

now we're going to do some breakouts, just catching up.

01:06:13.000 --> 01:06:15.000

One of the things we've missed at Enron.

01:06:15.000 --> 01:06:27.000

This year is getting together in person.

01:06:27.000 --> 01:06:29.000

All of us have missed getting together in person. I think.

01:06:29.000 --> 01:06:33.000

And so the idea of this session was just to give us a chance to see

01:06:33.000 --> 01:06:34.000

one another,

01:06:34.000 --> 01:06:37.000

even if it's on video and have a little debrief about the year we've

01:06:37.000 --> 01:06:38.000

been through.

01:06:38.000 --> 01:06:41.000

And cultivate a little optimism about the year to come.

01:06:41.000 --> 01:06:42.000

Thanks for all being here.

01:06:42.000 --> 01:06:45.000

Well, I think with that, I am gonna.

01:06:45.000 --> 01:06:47.000

Does it look like it's slowed down gel?

01:06:47.000 --> 01:06:53.000

Yes.

01:06:53.000 --> 01:06:55.000

Okay, well, we're going to just proceed.

01:06:55.000 --> 01:06:59.000

I promise I only have a couple of slides just to say things like that.

01:06:59.000 --> 01:07:01.000  
Like how amazing you guys are.

01:07:01.000 --> 01:07:06.000  
Teachers everywhere have really stepped up as heroes.

01:07:06.000 --> 01:07:09.000  
But that fly re we created just to acknowledge what you do every day,

01:07:09.000 --> 01:07:11.000  
but what you've done this past year.

01:07:11.000 --> 01:07:27.000  
Not to be more.

01:07:27.000 --> 01:07:28.000  
Astounding.

01:07:28.000 --> 01:07:32.000  
So thank you everyone for all the ways that you stepped up this year.

01:07:32.000 --> 01:07:35.000  
And so many of you here have been trainers of others who,

01:07:35.000 --> 01:07:37.000  
people who are not accustomed to teaching online or in hybrid

01:07:37.000 --> 01:07:39.000  
environments, or maybe knew about it,

01:07:39.000 --> 01:07:40.000  
but never wanted to do it before.

01:07:40.000 --> 01:07:42.000  
And you guys have really led the way for so many people.

01:07:42.000 --> 01:07:44.000  
So we thank you for that.

01:07:44.000 --> 01:07:47.000  
So this session is really meant to celebrate your, your, your year,

01:07:47.000 --> 01:07:50.000  
the fact that you survived it.

01:07:50.000 --> 01:07:52.000  
And that many of you thrived in it.

01:07:52.000 --> 01:07:53.000  
We all were on a rollercoaster ride together,

01:07:53.000 --> 01:07:56.000

but so many of you were generous and sharing what you were doing that

01:07:56.000 --> 01:07:59.000

was working with your colleagues with us, with other members.

01:07:59.000 --> 01:08:04.000

And we just thank you for that.

01:08:04.000 --> 01:08:05.000

It's been a real challenge, I think,

01:08:05.000 --> 01:08:07.000

to always keep the student at the center.

01:08:07.000 --> 01:08:09.000

But when push came to shove at the end of the day,

01:08:09.000 --> 01:08:11.000

it felt like that's what everyone was trying to do.

01:08:11.000 --> 01:08:14.000

And we're never going to be the same for it. Right. Well,

01:08:14.000 --> 01:08:15.000

the things we've learned this year,

01:08:15.000 --> 01:08:18.000

Whether they're positive things or painful things I think are going to

01:08:18.000 --> 01:08:20.000

define a lot of what happens in the classroom.

01:08:20.000 --> 01:08:22.000

Moving forward. So thank you all for.

01:08:22.000 --> 01:08:24.000

All that you do as members of this project,

01:08:24.000 --> 01:08:26.000

we are at rock is a member-driven project.

01:08:26.000 --> 01:08:28.000

We really rely on you to share.

01:08:28.000 --> 01:08:31.000

Your experiences to make us better and to make our technologies more

01:08:31.000 --> 01:08:37.000

appropriate, to keep students at the centers of thank you for that.

01:08:37.000 --> 01:08:41.000

The plan today is really to do a couple of breakouts.

01:08:41.000 --> 01:08:43.000

We're just going to do random breakouts and see who's in the rooms.

01:08:43.000 --> 01:08:47.000

And.

01:08:47.000 --> 01:08:50.000

We're going to do two rounds. And just the idea is really for you all,

01:08:50.000 --> 01:08:53.000

to be able to connect with one another for us to listen to one another

01:08:53.000 --> 01:08:54.000

and share.

01:08:54.000 --> 01:08:57.000

We're going to.

01:08:57.000 --> 01:08:58.000

There should be some AMROD people in your room making,

01:08:58.000 --> 01:09:00.000

they can capture some of the highlights on the Padlet,

01:09:00.000 --> 01:09:02.000

unless someone else, volunteers to do so.

01:09:02.000 --> 01:09:04.000

But before we dive in there.

01:09:04.000 --> 01:09:05.000

Does anybody.

01:09:05.000 --> 01:09:08.000

Does it have anything to say about the year to the group before you

01:09:08.000 --> 01:09:11.000

break out?

01:09:11.000 --> 01:09:16.000

I'm just glad it's kind of over.

01:09:16.000 --> 01:09:20.000

Does it feel like it with the start of summer petty?

01:09:20.000 --> 01:09:24.000

I'm really trying to make it feel that way.

01:09:24.000 --> 01:09:29.000

But you see, where are you going?

01:09:29.000 --> 01:09:31.000

Where are you going to hang out to chill this summer?

01:09:31.000 --> 01:09:33.000

We see the OTM background. We're hoping that's not it.

01:09:33.000 --> 01:09:36.000

Fortunately. Yes, it's my office at home.

01:09:36.000 --> 01:09:39.000

It's okay.

01:09:39.000 --> 01:09:43.000

You know, just sticking with it one day at a time.

01:09:43.000 --> 01:09:46.000

That's right. That's right. And I'm checking here in the chat.

01:09:46.000 --> 01:09:47.000

Anybody else?

01:09:47.000 --> 01:09:52.000

Able to come in.

01:09:52.000 --> 01:09:54.000

That that you want to say, Hey, what are you doing?

01:09:54.000 --> 01:09:55.000

Where are you spending your summer?

01:09:55.000 --> 01:10:11.000

Gosh.

01:10:11.000 --> 01:10:15.000

I'm Mike penny and here at my virtual office, in my,

01:10:15.000 --> 01:10:18.000

my home, lots of projects going on for me.

01:10:18.000 --> 01:10:21.000

And so it'll be pretty big work summer,

01:10:21.000 --> 01:10:25.000

but we are escaping for two long weekends to Santa Barbara and down by

01:10:25.000 --> 01:10:26.000  
San Diego. So.

01:10:26.000 --> 01:10:27.000  
Cool. Very cool.

01:10:27.000 --> 01:10:28.000  
No. Sorry, go ahead.

01:10:28.000 --> 01:10:30.000  
Good.

01:10:30.000 --> 01:10:31.000  
Well,

01:10:31.000 --> 01:10:34.000  
Looks like we have the Rowan Cabarrus folks.

01:10:34.000 --> 01:10:37.000  
Jenny or Melissa said, hi, want to say, Hey, Johnny.

01:10:37.000 --> 01:10:38.000  
Hello, everyone. Hope you're doing well.

01:10:38.000 --> 01:10:47.000  
Oh, there are boring. Alice top of my bucket list.

01:10:47.000 --> 01:10:49.000  
Yeah, I've always wanted to say it. I haven't seen it yet.

01:10:49.000 --> 01:10:53.000  
I went to a couple of virtual tours when we were remote with COVID

01:10:53.000 --> 01:10:55.000  
and they actually showed you what it looked like, why,

01:10:55.000 --> 01:10:57.000  
and that kind of thing. But I haven't seen it in person yet.

01:10:57.000 --> 01:10:59.000  
John can tell you where to get a great hot dog.

01:10:59.000 --> 01:11:01.000  
Well, yeah, if you go to that the same hot dog stand in the winter,

01:11:01.000 --> 01:11:03.000  
then you have a good chance of seeing it then too.

01:11:03.000 --> 01:11:05.000

No. That's great.

01:11:05.000 --> 01:11:06.000

Well, I see others.

01:11:06.000 --> 01:11:08.000

Shouting.

01:11:08.000 --> 01:11:11.000

Hi, Sharon.

01:11:11.000 --> 01:11:14.000

We encourage you all to turn on your, your videos when you can.

01:11:14.000 --> 01:11:15.000

But I think we'll, we'll definitely,

01:11:15.000 --> 01:11:17.000

we're hoping folks will do that in these breakout sessions.

01:11:17.000 --> 01:11:20.000

So I think we'll, we'll break to those now.

01:11:20.000 --> 01:11:21.000

We're just going to randomly.

01:11:21.000 --> 01:11:22.000

Makes you up.

01:11:22.000 --> 01:11:24.000

And some of the folks that helped plan today should be in there to

01:11:24.000 --> 01:11:27.000

encourage conversation. If you guys are at a loss for words,

01:11:27.000 --> 01:11:28.000

But we thought we do two rounds,

01:11:28.000 --> 01:11:36.000

one looking back and one looking ahead.

01:11:36.000 --> 01:11:39.000

And if you can capture some of those highlights that might inform some

01:11:39.000 --> 01:11:41.000

of our activities together in the year ahead,

01:11:41.000 --> 01:11:44.000

some of the things we do for professional developments or conferences,

01:11:44.000 --> 01:11:47.000

we go to things like that. If any of the looking ahead stuff.

01:11:47.000 --> 01:11:49.000

And helping form our prep, our practices in the year ahead.

01:11:49.000 --> 01:11:50.000

We'll be grateful for that. So,

01:11:50.000 --> 01:11:53.000

What do you say, Jill, can we break us into groups?

01:11:53.000 --> 01:11:54.000

I will do that. And please be patient.

01:11:54.000 --> 01:11:57.000

I may have to move a couple of people to be sure we have a facilitator

01:11:57.000 --> 01:11:58.000

in each room.

01:11:58.000 --> 01:11:59.000

Okay.

01:11:59.000 --> 01:12:01.000

And yeah. And then we'll, we'll,

01:12:01.000 --> 01:12:08.000

we're going to do this for about eight, eight to 10 minutes.

01:12:08.000 --> 01:12:11.000

And then we'll come back and we'll mix up the groups a different way,

01:12:11.000 --> 01:12:13.000

because I think one of the cool things about Amarok is this mixing of

01:12:13.000 --> 01:12:20.000

secondary post-secondary and adult voices in a room.

01:12:20.000 --> 01:12:21.000

It's such a rare opportunity.

01:12:21.000 --> 01:12:23.000

So we're going to see what happens with that.

01:12:23.000 --> 01:12:25.000

This all grand experiment guys. Thanks for your

01:12:25.000 --> 01:12:30.000

patience

01:12:30.000 --> 01:12:43.000

.

01:12:43.000 --> 01:12:45.000  
Are we a room, this big group.

01:12:45.000 --> 01:12:46.000  
Who's the se.

01:12:46.000 --> 01:12:50.000  
Have I been bred.

01:12:50.000 --> 01:12:52.000  
I think tills in the background.

01:12:52.000 --> 01:12:54.000  
Yeah.

01:12:54.000 --> 01:12:58.000  
That is exactly what I'm doing. So.

01:12:58.000 --> 01:13:13.000  
We're still in the main room. I'm pretty sure.

01:13:13.000 --> 01:13:15.000  
Here's what we were at de Lac last week.

01:13:15.000 --> 01:13:18.000  
And they said they decided they needed to do a hybrid conference

01:13:18.000 --> 01:13:20.000  
because teachers were expected to do all this miraculous stuff hybrid.

01:13:20.000 --> 01:13:23.000  
That's kind of how I feel about these breakout technologies.

01:13:23.000 --> 01:13:24.000  
We're just at rocks.

01:13:24.000 --> 01:13:25.000  
It's a little slower than you guys. Don't we're alerted.

01:13:25.000 --> 01:13:28.000  
Debbie. Where are you? Where are you joining us from?

01:13:28.000 --> 01:13:29.000  
That'd be Asher Kelly.

01:13:29.000 --> 01:13:31.000

South mountain community college.

01:13:31.000 --> 01:13:33.000

In Phoenix, Arizona at nice.

01:13:33.000 --> 01:13:35.000

Blazing hot.

01:13:35.000 --> 01:13:38.000

We do have a retrieve today.

01:13:38.000 --> 01:13:41.000

We have some humidity and it's a little bit color.

01:13:41.000 --> 01:13:45.000

Because we did get some rain yesterday, which we're.

01:13:45.000 --> 01:13:49.000

Exactly.

01:13:49.000 --> 01:13:56.000

Exactly. And it was just most all of them.

01:13:56.000 --> 01:14:02.000

Politan Phoenix area and that received rain, which is also very rare.

01:14:02.000 --> 01:14:08.000

End of June cooler and Phoenix is what 110.

01:14:08.000 --> 01:14:12.000

Oh, my gosh.

01:14:12.000 --> 01:14:17.000

Well, some of us are just screaming.

01:14:17.000 --> 01:14:19.000

And then was, it was an amazing.

01:14:19.000 --> 01:14:22.000

It was an amazing event.

01:14:22.000 --> 01:14:23.000

That the lightening in the fender.

01:14:23.000 --> 01:14:26.000

My daughter commented.

01:14:26.000 --> 01:14:29.000

Mom only in Arizona. We, you see.

01:14:29.000 --> 01:14:35.000

Children being walked out.

01:14:35.000 --> 01:14:39.000

Side and everybody out on walking

01:14:39.000 --> 01:15:09.000

around in the rainstorm.

01:15:28.000 --> 01:15:31.000

Hi, Lori, this is Jill. We've just put everybody into breakout rooms.

01:15:31.000 --> 01:15:34.000

So I'm going to just drop you into a breakout room and hopefully

01:15:34.000 --> 01:15:37.000

people there will tell you what you need to do.

01:15:37.000 --> 01:16:07.000

Thank you.

01:16:23.000 --> 01:16:31.000

Hi, Amanda.

01:16:31.000 --> 01:16:33.000

It's chill. Everybody's in breakout rooms.

01:16:33.000 --> 01:16:35.000

I'm going to drop you into one of the rooms and you will be the

01:16:35.000 --> 01:17:05.000

facilitator for that room. Okay.

01:18:40.000 --> 01:19:10.000

That was painful.

01:19:51.000 --> 01:19:54.000

You're muted. I think.

01:19:54.000 --> 01:19:59.000

I moved to say to moose too, because I realized that like,

01:19:59.000 --> 01:20:02.000

there were two people from Montana to those I could do.

01:20:02.000 --> 01:20:05.000

It really only have about four and a half minutes left.

01:20:05.000 --> 01:20:07.000

The award stuff is take a lot of tests.

01:20:07.000 --> 01:20:13.000

Ministers still do not undersigned to a room 10 of 'em.

01:20:13.000 --> 01:20:18.000

No I'm talking to, there were three.

01:20:18.000 --> 01:20:22.000

And rock people in two months, UNO.

01:20:22.000 --> 01:20:26.000

Jenna people in petty and that's like that. Got.

01:20:26.000 --> 01:20:28.000

I've got, I'm going to leave.

01:20:28.000 --> 01:20:32.000

Oh, I tried to, I tried to spread out in rock people.

01:20:32.000 --> 01:20:35.000

But.

01:20:35.000 --> 01:20:39.000

And we can't really set up the next ones until this one's stopped.

01:20:39.000 --> 01:20:41.000

Right. So right.

01:20:41.000 --> 01:20:42.000

So we really start,

01:20:42.000 --> 01:20:45.000

we start really start putting people in the room at what did you look

01:20:45.000 --> 01:20:47.000

at the time? Did you know.

01:20:47.000 --> 01:20:48.000

Well, I,

01:20:48.000 --> 01:20:51.000

I had started a timer and then I realized I was having issues.

01:20:51.000 --> 01:20:53.000

So I don't know how long it took me. I think it was about,

01:20:53.000 --> 01:20:58.000

it was like one 19, which was like six minutes ago.

01:20:58.000 --> 01:21:00.000

So if we go.

01:21:00.000 --> 01:21:03.000

But my clock is fast. So which means it was really only in one,

01:21:03.000 --> 01:21:06.000

10 or 10 after the hour. Yeah.

01:21:06.000 --> 01:21:08.000

Yeah, you're looking at the recorded time at the top.

01:21:08.000 --> 01:21:11.000

Not the clock time.

01:21:11.000 --> 01:21:13.000

Oh, I am not looking at that. I'm looking at my clock time,

01:21:13.000 --> 01:21:16.000

which is so it was, it was 10 hours the hour.

01:21:16.000 --> 01:21:19.000

I think my clock time is 10 minutes fast. I have no idea why.

01:21:19.000 --> 01:21:20.000

Oh, okay.

01:21:20.000 --> 01:21:24.000

So I think it was 10 after the hour. So I think we can, I think.

01:21:24.000 --> 01:21:26.000

Because they're doing a lot of that. Get to know each other thing.

01:21:26.000 --> 01:21:27.000

And then.

01:21:27.000 --> 01:21:29.000

But I think we should mix it up.

01:21:29.000 --> 01:21:35.000

I just don't understand the random thing. If we could figure that.

01:21:35.000 --> 01:21:40.000

Oh, no, I don't either.

01:21:40.000 --> 01:21:43.000

Yeah, I forgot to show my questions.

01:21:43.000 --> 01:21:46.000

Well, you've sent them to people earlier.

01:21:46.000 --> 01:21:50.000

Yeah.

01:21:50.000 --> 01:21:53.000

Oh, Nicole. So she doesn't have a facilitator. What.

01:21:53.000 --> 01:21:55.000

So she does not have the questions.

01:21:55.000 --> 01:21:58.000

Okay.

01:21:58.000 --> 01:22:01.000

[Unknown] admit, I'll go in her room.

01:22:01.000 --> 01:22:04.000

Okay.

01:22:04.000 --> 01:22:09.000

It's really, it's not that formal.

01:22:09.000 --> 01:22:11.000

So are the other ones, she just didn't know what,

01:22:11.000 --> 01:22:14.000

what questions to ask. So she doesn't have them.

01:22:14.000 --> 01:22:15.000

Jason Nipper supposed to be.

01:22:15.000 --> 01:22:18.000

Wonder if he gave his login to somebody else.

01:22:18.000 --> 01:22:44.000

I assumed that was him.

01:22:44.000 --> 01:22:47.000

Hi, Michael, all of the participants are in breakout rooms right now.

01:22:47.000 --> 01:23:17.000

And so I'm going to go ahead and assign you to a breakout room.

01:24:15.000 --> 01:24:23.000

Hi, Jacqueline. Everybody is in breakout rooms.

01:24:23.000 --> 01:24:26.000

So I'm going to go ahead and drop you into breakout room,

01:24:26.000 --> 01:24:31.000

but just the very last few minutes and we'll be returning to the main

01:24:31.000 --> 01:24:56.000  
room. So.

01:24:56.000 --> 01:24:59.000  
Should I send.

01:24:59.000 --> 01:25:01.000  
You're muted.

01:25:01.000 --> 01:25:04.000  
Should I send the.

01:25:04.000 --> 01:25:12.000  
Broadcast message.

01:25:12.000 --> 01:25:14.000  
Yeah, I just totally disrupted.

01:25:14.000 --> 01:25:17.000  
They were actually having a conversation and then I showed up.

01:25:17.000 --> 01:25:21.000  
Yeah, Nicole had texted me.

01:25:21.000 --> 01:25:23.000  
She wrote back and said, Jason Neper is in the room,

01:25:23.000 --> 01:25:25.000  
but he doesn't seem to know who's the facilitator. Oh,

01:25:25.000 --> 01:25:27.000  
he just had surgery. So.

01:25:27.000 --> 01:25:28.000  
Oh, okay.

01:25:28.000 --> 01:25:29.000  
So.

01:25:29.000 --> 01:25:32.000  
So, yeah, let's go ahead and give him the warning.

01:25:32.000 --> 01:25:47.000  
Okay.

01:25:47.000 --> 01:25:50.000  
And then we did not figure out a way to.

01:25:50.000 --> 01:25:54.000

Randomly assign the next round.

01:25:54.000 --> 01:25:57.000

Well, I can recreate the room.

01:25:57.000 --> 01:26:01.000

I'll just I'll have to go through and manually do them again.

01:26:01.000 --> 01:26:05.000

And the takeaways to the pallet. They're going to need that URL.

01:26:05.000 --> 01:26:08.000

Okay.

01:26:08.000 --> 01:26:12.000

It's not that important. We can just have them do it in the chat.

01:26:12.000 --> 01:26:13.000

Don't worry about it.

01:26:13.000 --> 01:26:43.000

I'll just have him do it in the chat when they get back.

01:27:28.000 --> 01:27:34.000

Okay.

01:27:34.000 --> 01:27:38.000

So that it's really like one 25 probably.

01:27:38.000 --> 01:27:43.000

Or 12th, whatever your time to 25, 25 after the hour now, right?

01:27:43.000 --> 01:27:48.000

Yup.

01:27:48.000 --> 01:27:50.000

And I just, the room's going to close in 45 seconds.

01:27:50.000 --> 01:27:53.000

And then why don't you go start working on the next round of rooms?

01:27:53.000 --> 01:27:55.000

All I'd be asked a little bit. Does that make sense?

01:27:55.000 --> 01:27:56.000

Yes.

01:27:56.000 --> 01:27:57.000

Okay.

01:27:57.000 --> 01:28:00.000

You could, you could put the Padlet Lincoln and some of them.

01:28:00.000 --> 01:28:05.000

Yup. Yup. Okay.

01:28:05.000 --> 01:28:07.000

Well, let's show right away.

01:28:07.000 --> 01:28:14.000

Hi, I'm Carol.

01:28:14.000 --> 01:28:17.000

Here's Jason on camera.

01:28:17.000 --> 01:28:23.000

Because it's his favorite zone in front of the logo.

01:28:23.000 --> 01:28:24.000

But to put that Padlet link here.

01:28:24.000 --> 01:28:26.000

I don't know if the people who were here.

01:28:26.000 --> 01:28:28.000

Hey, Jackie, how are you?

01:28:28.000 --> 01:28:33.000

Good to see you.

01:28:33.000 --> 01:28:36.000

Oh, good to see you just coming in a little late,

01:28:36.000 --> 01:28:41.000

putting out fires as always, but.

01:28:41.000 --> 01:28:43.000

Wes. I want to know what you're in front of.

01:28:43.000 --> 01:28:45.000

What is that beautiful place?

01:28:45.000 --> 01:28:47.000

It's just a random picture of a camp.

01:28:47.000 --> 01:28:49.000

Camping spots.

01:28:49.000 --> 01:28:50.000

Wounds I'm somewhere camping.

01:28:50.000 --> 01:28:51.000

That's all. That's a lot.

01:28:51.000 --> 01:28:54.000

So.

01:28:54.000 --> 01:28:56.000

If you were camping in Colorado right now, or Arizona,

01:28:56.000 --> 01:28:59.000

you couldn't have a fire probably, but.

01:28:59.000 --> 01:29:02.000

No, don't worry. You.

01:29:02.000 --> 01:29:07.000

I'm in cannon beach, Oregon.

01:29:07.000 --> 01:29:10.000

Glitches for me. Just want to go back.

01:29:10.000 --> 01:29:14.000

Beautiful.

01:29:14.000 --> 01:29:18.000

One of my favorite places, way better when the shops are open now.

01:29:18.000 --> 01:29:21.000

It's beautiful. I just, we were there a couple of weeks ago.

01:29:21.000 --> 01:29:32.000

So I just, I want to live there now.

01:29:32.000 --> 01:29:34.000

Well, we were playing around with Padlet. Jackie.

01:29:34.000 --> 01:29:36.000

I see you guys got me gone on that Padlet thing.

01:29:36.000 --> 01:29:37.000

When we did that presentation for the lead dude,

01:29:37.000 --> 01:29:39.000

I'm still trying to learn it even now.

01:29:39.000 --> 01:29:41.000

Don't laugh at me. It's like the easiest one, right?

01:29:41.000 --> 01:29:44.000

So I did put a pallet link if you want to put any takeaways,

01:29:44.000 --> 01:29:49.000

but you could also just type in the chat.

01:29:49.000 --> 01:29:51.000

Like I said,

01:29:51.000 --> 01:29:55.000

the real objective of this is just to connect with one another and see

01:29:55.000 --> 01:29:56.000

if we can come up with any thoughts for.

01:29:56.000 --> 01:29:58.000

Our work together in the year ahead.

01:29:58.000 --> 01:29:59.000

So how many folks are, has ever.

01:29:59.000 --> 01:30:07.000

Back in the main room. Now I only see a handful at a time.

01:30:07.000 --> 01:30:08.000

Well, these were these questions.

01:30:08.000 --> 01:30:11.000

I think some of your rooms had facilitators.

01:30:11.000 --> 01:30:15.000

These questions that John fella.

01:30:15.000 --> 01:30:16.000

Shared with us. Gosh,

01:30:16.000 --> 01:30:19.000

last fall in a webinar or some of the questions that we've all been.

01:30:19.000 --> 01:30:22.000

I think wrestling with what's been working. What's not.

01:30:22.000 --> 01:30:24.000

I think most of us are, this is my Saturday. Most of all.

01:30:24.000 --> 01:30:26.000

That's perfect. I feel that.

01:30:26.000 --> 01:30:28.000

And I hope that that's what we get back this summer. Right.

01:30:28.000 --> 01:30:32.000

That they're going to these places that restore us.

01:30:32.000 --> 01:30:35.000

Help us start the new year with some creativity and some freshness.

01:30:35.000 --> 01:30:41.000

So.

01:30:41.000 --> 01:30:44.000

Anybody have anything they want to share from the first round before

01:30:44.000 --> 01:30:48.000

we break into the future round.

01:30:48.000 --> 01:30:49.000

Here's that I'll put that pallet Lincoln again,

01:30:49.000 --> 01:31:01.000

if it's in case anybody wants it.

01:31:01.000 --> 01:31:03.000

Carol that missing senior colleagues.

01:31:03.000 --> 01:31:06.000

I had that I was got to be at de Lac the conference a K-12 conference

01:31:06.000 --> 01:31:08.000

last week for the first time. And it was so clear.

01:31:08.000 --> 01:31:10.000

That's all people cared about was seeing one another.

01:31:10.000 --> 01:31:11.000

So it was very cool.

01:31:11.000 --> 01:31:13.000

All right. Well, I think.

01:31:13.000 --> 01:31:16.000

You got us ready to regroup.

01:31:16.000 --> 01:31:17.000

We should be ready.

01:31:17.000 --> 01:31:20.000

Fingers crossed. Okay. You're going to be a different people,

01:31:20.000 --> 01:31:50.000

but we're looking towards the future now. Let's see what happens.

01:33:24.000 --> 01:33:31.000

Hi, Gwen. Everyone is up in.

01:33:31.000 --> 01:33:32.000

Breakout room right now.

01:33:32.000 --> 01:33:36.000

And so I'm going to just put you into one of the breakout rooms.

01:33:36.000 --> 01:33:37.000

Carrie Gwen just arrived.

01:33:37.000 --> 01:33:41.000

I'm teary which room to put her in.

01:33:41.000 --> 01:33:43.000

So, sorry, I had to be late.

01:33:43.000 --> 01:33:45.000

I had a meeting with the provost. So it was like,

01:33:45.000 --> 01:33:50.000

Which meeting do I go to?

01:33:50.000 --> 01:33:53.000

You're a military.

01:33:53.000 --> 01:33:58.000

Let's send her to room three.

01:33:58.000 --> 01:33:59.000

Facilitator Gwen.

01:33:59.000 --> 01:34:02.000

So you might have to dive in and just start leading conversation.

01:34:02.000 --> 01:34:08.000

Okay.

01:34:08.000 --> 01:34:11.000

They did have, so I wonder who was it, Tammy?

01:34:11.000 --> 01:34:13.000

I moved Tammy out of one room because the room.

01:34:13.000 --> 01:34:17.000

I was in was the same mix of institutions as round one. So I just, oh,

01:34:17.000 --> 01:34:18.000

really?

01:34:18.000 --> 01:34:19.000

Randomly moved so different people.

01:34:19.000 --> 01:34:21.000

Yeah.

01:34:21.000 --> 01:34:27.000

So it looks like all of them now.

01:34:27.000 --> 01:34:29.000

Well, Brian can lead any conversation. Room four,

01:34:29.000 --> 01:34:32.000

doesn't have one of the official ones, but Ryan's great on his feet.

01:34:32.000 --> 01:34:35.000

So I know that I had them all in there.

01:34:35.000 --> 01:34:46.000

What do you mean you had them all in there? Oh,

01:34:46.000 --> 01:34:47.000

I had I had, oh no, you did.

01:34:47.000 --> 01:34:50.000

My room just had otash they had penny last time and then they had Neta

01:34:50.000 --> 01:34:53.000

this time. And then one of the attendees,

01:34:53.000 --> 01:34:56.000

Debbie Asher Kelly was in that same room last time with Jessica. Okay.

01:34:56.000 --> 01:34:59.000

I know that I had one of our facilitators in every room.

01:34:59.000 --> 01:35:00.000

Oh, okay. Yeah.

01:35:00.000 --> 01:35:02.000

No, you're good now changed. Oh.

01:35:02.000 --> 01:35:04.000

I didn't move a facilitator. I moved somebody else.

01:35:04.000 --> 01:35:05.000

There is no facilitator.

01:35:05.000 --> 01:35:08.000

And room for use of grinds or putting Ryan can manage it. Yeah.

01:35:08.000 --> 01:35:09.000

I wonder if one of our people left.

01:35:09.000 --> 01:35:11.000

Yeah, that would be.

01:35:11.000 --> 01:35:12.000

That that's what happened.

01:35:12.000 --> 01:35:13.000

Yeah.

01:35:13.000 --> 01:35:18.000

Yeah.

01:35:18.000 --> 01:35:20.000

Oh, come back on so I can see you. So I'm not alone. Actually.

01:35:20.000 --> 01:35:22.000

I can share screen. Let's see.

01:35:22.000 --> 01:35:24.000

No, they're not.

01:35:24.000 --> 01:35:35.000

I am.

01:35:35.000 --> 01:35:37.000

I didn't look at the Padlet. Has anybody added anything?

01:35:37.000 --> 01:35:47.000

I haven't looked either.

01:35:47.000 --> 01:35:49.000

I'm actually trying to check the time and remember,

01:35:49.000 --> 01:35:52.000

do you happen to remember what time we set it for 10 minutes?

01:35:52.000 --> 01:35:55.000

We've got six 20 left.

01:35:55.000 --> 01:35:57.000

Okay, so this one, if you.

01:35:57.000 --> 01:36:00.000

This looking at the tablet. Oh, I see. Looking back room five.

01:36:00.000 --> 01:36:06.000

There's a few for somebody.

01:36:06.000 --> 01:36:07.000

I don't know if they knew how to do it.

01:36:07.000 --> 01:36:09.000

I mean.

01:36:09.000 --> 01:36:10.000

Yeah, exactly.

01:36:10.000 --> 01:36:15.000

It's.

01:36:15.000 --> 01:36:16.000

I think most of these people,

01:36:16.000 --> 01:36:19.000

probably some of them do some of them don't so it's more just,

01:36:19.000 --> 01:36:20.000

it looks.

01:36:20.000 --> 01:36:21.000

Yeah.

01:36:21.000 --> 01:36:23.000

There's quite a few in the comments. So in the chat.

01:36:23.000 --> 01:36:25.000

I could actually cut and paste them from the chat.

01:36:25.000 --> 01:36:26.000

Let me see if I can do that while we're.

01:36:26.000 --> 01:36:30.000

While we're messing around.

01:36:30.000 --> 01:37:00.000

Hmm.

01:37:33.000 --> 01:37:45.000

I don't know if you can see one of the messages in the chat.

01:37:45.000 --> 01:37:47.000

Because it's a direct message and it says to me,

01:37:47.000 --> 01:37:49.000

but it starts off high teary I'm double booked,

01:37:49.000 --> 01:37:51.000

and won't be able to fully participate in the breakout rooms.

01:37:51.000 --> 01:37:54.000

Have a great meeting and thanks for celebrating the end of the year.

01:37:54.000 --> 01:37:55.000

It's Kathy Funston.

01:37:55.000 --> 01:37:56.000

Okay. Okay.

01:37:56.000 --> 01:38:03.000

All right.

01:38:03.000 --> 01:38:11.000

I've got about four minutes left.

01:38:11.000 --> 01:38:15.000

So, what would you like in the broadcast message?

01:38:15.000 --> 01:38:45.000

Put the Padlet link. Okay.

01:39:41.000 --> 01:39:47.000

Okay. Two and a half minutes on 30 seconds. I'm gonna.

01:39:47.000 --> 01:39:56.000

Some bat.

01:39:56.000 --> 01:39:58.000

Amanda just joined us.

01:39:58.000 --> 01:40:02.000

She was in a room where you.

01:40:02.000 --> 01:40:04.000

I was, and I got kicked out.

01:40:04.000 --> 01:40:17.000

Everybody froze and then I couldn't get back in. So.

01:40:17.000 --> 01:40:19.000

Do you remember which room you were in? I was in with Angie.

01:40:19.000 --> 01:40:22.000

I know that she was asking me and I was talking and then I stopped and

01:40:22.000 --> 01:40:24.000

everybody was just looking at me and I'm like, hello.

01:40:24.000 --> 01:40:28.000

And then zoom died. And I was finally able to get back.

01:40:28.000 --> 01:40:31.000

Were you facilitating the conversation? Angie was okay.

01:40:31.000 --> 01:40:32.000

Okay.

01:40:32.000 --> 01:40:33.000

Yes.

01:40:33.000 --> 01:40:34.000

For any other notes I can.

01:40:34.000 --> 01:40:36.000

Put you put you back in there. Okay.

01:40:36.000 --> 01:41:06.000

Perfect. Sounds good.

01:41:29.000 --> 01:41:31.000

And it'll automatically close them. Right.

01:41:31.000 --> 01:41:32.000

I haven't done it yet.

01:41:32.000 --> 01:41:35.000

Oh, okay.

01:41:35.000 --> 01:41:36.000

Oh, yeah. That's at the two minute or you did send the two minutes.

01:41:36.000 --> 01:41:38.000

Yep.

01:41:38.000 --> 01:41:41.000

I sent the two minutes. And so I've got them both.

01:41:41.000 --> 01:41:43.000

Another 30 seconds and then Wilson.

01:41:43.000 --> 01:41:45.000

I'll close it. And then that gives them a one minute warning.

01:41:45.000 --> 01:41:48.000

Okay. Cool.

01:41:48.000 --> 01:41:52.000

This is how it felt at DLI.

01:41:52.000 --> 01:42:06.000

Last week when, when, when we were trying to bring them in.

01:42:06.000 --> 01:42:07.000

No this time I did exactly the same thing.

01:42:07.000 --> 01:42:10.000

I recreated the rooms and said assign them automatically,

01:42:10.000 --> 01:42:11.000

which is what I said the first time and the dead.

01:42:11.000 --> 01:42:12.000

So.

01:42:12.000 --> 01:42:14.000

I don't know why it didn't the first time.

01:42:14.000 --> 01:42:15.000

Now I'm sure all these people.

01:42:15.000 --> 01:42:19.000

Realize we're just learning.

01:42:19.000 --> 01:42:22.000

Hmm.

01:42:22.000 --> 01:42:25.000

Okay.

01:42:25.000 --> 01:42:42.000

There are minute warning.

01:42:42.000 --> 01:42:44.000

Welcome back Ellington.

01:42:44.000 --> 01:42:55.000

I like to where are you from?

01:42:55.000 --> 01:42:58.000

I don't get to see all the faces when I'm only in partial rooms or if

01:42:58.000 --> 01:42:59.000

I move people around, right. Tammy.

01:42:59.000 --> 01:43:05.000

Did you ask me where I'm at?

01:43:05.000 --> 01:43:09.000

I'm from Tarboro, North Carolina, which is in Edgecombe county.

01:43:09.000 --> 01:43:10.000

Great.

01:43:10.000 --> 01:43:11.000

Good to see you.

01:43:11.000 --> 01:43:16.000

So I haven't eaten so new folks. That's awesome.

01:43:16.000 --> 01:43:18.000

So, what did, did the Amanda.

01:43:18.000 --> 01:43:29.000

Melvin wins the overachiever on Padlet award.

01:43:29.000 --> 01:43:30.000

You didn't, I guess you didn't in there. I,

01:43:30.000 --> 01:43:33.000

I actually cut and pasted your over to her note taker.

01:43:33.000 --> 01:43:34.000

Reward.

01:43:34.000 --> 01:43:41.000

I have some more, so yeah.

01:43:41.000 --> 01:43:44.000

So feel free to put any takeaways in the chat instead of on the Padlet

01:43:44.000 --> 01:43:46.000

and I'll cut and paste them in the palette afterwards and to share it

01:43:46.000 --> 01:43:47.000

for fun. So.

01:43:47.000 --> 01:43:50.000

Now how'd you get that heart on your screen? Oops.

01:43:50.000 --> 01:43:51.000

I use my reactions.

01:43:51.000 --> 01:43:54.000

Yeah, on the very bottom of your zoom controls, there's a reaction.

01:43:54.000 --> 01:43:55.000

So I can celebrate.

01:43:55.000 --> 01:43:56.000

Whoa.

01:43:56.000 --> 01:44:00.000

Yeah.

01:44:00.000 --> 01:44:01.000

Well, that's what we're doing next.

01:44:01.000 --> 01:44:02.000

So.

01:44:02.000 --> 01:44:05.000

Did you guys.

01:44:05.000 --> 01:44:07.000

Was that, was it fun talking to people again?

01:44:07.000 --> 01:44:08.000

Are you sick of talking to people?

01:44:08.000 --> 01:44:17.000

Okay.

01:44:17.000 --> 01:44:18.000

Well, I,

01:44:18.000 --> 01:44:21.000

I love seeing all of your faces and so hope that next year we have the

01:44:21.000 --> 01:44:25.000

opportunity to see one another in person at that next year or this

01:44:25.000 --> 01:44:26.000

year. So.

01:44:26.000 --> 01:44:29.000

Amanda wrote some takeaways in the chat. Let's see.

01:44:29.000 --> 01:44:32.000

What I I'm going to share that Padlet link in the followup.

01:44:32.000 --> 01:44:59.000

So this event as well,

01:44:59.000 --> 01:45:00.000

And if you,

01:45:00.000 --> 01:45:03.000

any of you have additional thoughts from these conversations,

01:45:03.000 --> 01:45:04.000

you'd be willing to share.

01:45:04.000 --> 01:45:07.000

We will probably be doing some outreach in the term of surveys and

01:45:07.000 --> 01:45:08.000

stuff like that,

01:45:08.000 --> 01:45:11.000

but I'm really looking for some inspiration for some of our webinars

01:45:11.000 --> 01:45:12.000

for next year.

01:45:12.000 --> 01:45:15.000

We're considering different ways that we might gather whether we

01:45:15.000 --> 01:45:18.000

gather around specific topics or in specific cohorts.

01:45:18.000 --> 01:45:19.000

So we're,

01:45:19.000 --> 01:45:22.000

we're thinking of some different ways of gathering in smaller groups.

01:45:22.000 --> 01:45:25.000

And so I'm, I'm in addition to connecting with one another here today.

01:45:25.000 --> 01:45:28.000

I was really hoping to, to walk away with some ideas in that regard.

01:45:28.000 --> 01:45:30.000

So we will share that pedal link as part of the followup too.

01:45:30.000 --> 01:45:34.000

Anybody want to say anything about, about this silliness so far?

01:45:34.000 --> 01:45:36.000

Oh, Anna, Laura, Anna, Laura, won't be on camera or speak,

01:45:36.000 --> 01:45:38.000

but she has, you have to watch the chat.

01:45:38.000 --> 01:45:40.000

She has some powerful insights here.

01:45:40.000 --> 01:45:42.000

We do need to be prepared for another quarantine, probably anytime.

01:45:42.000 --> 01:45:43.000

Right? Who knows?

01:45:43.000 --> 01:45:45.000

Yep. That's one of those things.

01:45:45.000 --> 01:45:47.000

Okay. You guys are being too quiet.

01:45:47.000 --> 01:45:48.000

You're freaking me out.

01:45:48.000 --> 01:45:50.000

I am going to share my screen.

01:45:50.000 --> 01:45:52.000

And we are going to.

01:45:52.000 --> 01:45:53.000

Yeah.

01:45:53.000 --> 01:45:57.000

I think one thing that has come to our attention with our

01:45:57.000 --> 01:46:00.000

teachers in adult ed in California is they have more of a call to

01:46:00.000 --> 01:46:02.000

teach both remotely.

01:46:02.000 --> 01:46:04.000

As well as in a face-to-face classroom.

01:46:04.000 --> 01:46:07.000

So we've been looking at ways to try to support that and,

01:46:07.000 --> 01:46:09.000

and how we can help our teachers.

01:46:09.000 --> 01:46:12.000

Juggle this new paradigm of they've got to have an audience that's

01:46:12.000 --> 01:46:14.000

virtually in a zoom room.

01:46:14.000 --> 01:46:17.000

And yet they have individuals in the classroom as well.

01:46:17.000 --> 01:46:18.000

And.

01:46:18.000 --> 01:46:20.000

I'm trying to find the link and I bet Neta will find it faster than I

01:46:20.000 --> 01:46:23.000

am. But have any of you guys heard about this owl camera?

01:46:23.000 --> 01:46:24.000

Owl L.

01:46:24.000 --> 01:46:25.000

L I S I think.

01:46:25.000 --> 01:46:27.000

Well, I'll find it and I'll post it,

01:46:27.000 --> 01:46:29.000

but I think it's a really cool solution.

01:46:29.000 --> 01:46:35.000

For that mixed environment because this owl camera.

01:46:35.000 --> 01:46:38.000

Has four cameras on it and tracks the voices in the room with the

01:46:38.000 --> 01:46:43.000

face-to-face learners.

01:46:43.000 --> 01:46:45.000

And then,

01:46:45.000 --> 01:46:48.000

so the teacher makes sure that everybody in the virtual space knows

01:46:48.000 --> 01:46:50.000

what the people in the physical space are talking about.

01:46:50.000 --> 01:46:51.000

And can see them.

01:46:51.000 --> 01:46:57.000

Cause the camera turns and shows the students who's talking.

01:46:57.000 --> 01:46:59.000

So, yeah, she never got it in there very quickly. So it's,

01:46:59.000 --> 01:47:01.000  
it's something that, you know,

01:47:01.000 --> 01:47:04.000  
in this new environment we have to adapt and this may be a tool.

01:47:04.000 --> 01:47:05.000  
Just a thought.

01:47:05.000 --> 01:47:06.000  
That doing it simultaneously,

01:47:06.000 --> 01:47:09.000  
how you guys would have done had some in class and some not in class

01:47:09.000 --> 01:47:10.000  
blows my mind.

01:47:10.000 --> 01:47:11.000  
Wow.

01:47:11.000 --> 01:47:13.000  
I don't know.

01:47:13.000 --> 01:47:16.000  
What we use is the owl camera,

01:47:16.000 --> 01:47:18.000  
but we have something very similar because we offer.

01:47:18.000 --> 01:47:20.000  
Hi flags classes, which is pretty much everything. So.

01:47:20.000 --> 01:47:30.000  
Instructors are.

01:47:30.000 --> 01:47:32.000  
Teaching to students in the class,

01:47:32.000 --> 01:47:34.000  
they're recording it so students can watch it later.

01:47:34.000 --> 01:47:37.000  
And then it's synchronous or asynchronous for students who are

01:47:37.000 --> 01:47:38.000  
watching it in real time.

01:47:38.000 --> 01:47:40.000

But there are cameras that are following them.

01:47:40.000 --> 01:47:42.000

As they teach.

01:47:42.000 --> 01:47:44.000

So you're you're right. I think in another.

01:47:44.000 --> 01:47:47.000

Point to that. Is that what I'm concerned about?

01:47:47.000 --> 01:47:49.000

Because I experienced it myself in a different way.

01:47:49.000 --> 01:47:51.000

But there may be students who might feel like, yeah,

01:47:51.000 --> 01:47:53.000

I'm ready to be back on campus.

01:47:53.000 --> 01:47:56.000

I'm going to go to class and then once they get in the class,

01:47:56.000 --> 01:47:57.000

it's a little overwhelming for them.

01:47:57.000 --> 01:48:00.000

And then they want to step back and do something more remote or

01:48:00.000 --> 01:48:01.000

something.

01:48:01.000 --> 01:48:03.000

In a space, a little less crowded.

01:48:03.000 --> 01:48:07.000

And that will come out of nowhere. That happened to me in a situation.

01:48:07.000 --> 01:48:14.000

So I'm a little.

01:48:14.000 --> 01:48:18.000

Trying to prepare for the realities of everyone being

01:48:18.000 --> 01:48:21.000

back on campus, because just because we can be back on campus.

01:48:21.000 --> 01:48:23.000

Everyone may not.

01:48:23.000 --> 01:48:25.000

Be as emotionally prepared.

01:48:25.000 --> 01:48:29.000

For that as they might think, or even as, as they might like to be.

01:48:29.000 --> 01:48:30.000

Appreciate that.

01:48:30.000 --> 01:48:35.000

Really good insights.

01:48:35.000 --> 01:48:36.000

Well,

01:48:36.000 --> 01:48:39.000

I hope we will continue this conversation on we're going to save the

01:48:39.000 --> 01:48:40.000

chat. I'll put that stuff.

01:48:40.000 --> 01:48:42.000

In the pilot. And I'll ask you guys as, as.

01:48:42.000 --> 01:48:43.000

We aren't doing our traditional follow-up.

01:48:43.000 --> 01:48:49.000

We will be sharing our awards part of the ceremony.

01:48:49.000 --> 01:48:50.000

On our website,

01:48:50.000 --> 01:48:52.000

but I would love the continuation of what are these ideas that you're

01:48:52.000 --> 01:48:54.000

thinking about that would work.

01:48:54.000 --> 01:48:58.000

And how did we work with that?

01:48:58.000 --> 01:49:01.000

I am going to do my best to share again.

01:49:01.000 --> 01:49:02.000

So, thanks.

01:49:02.000 --> 01:49:05.000

We knew this would go fast. This is part of our exploration.

01:49:05.000 --> 01:49:10.000

New modes of sessions and new ways of meeting with you all.

01:49:10.000 --> 01:49:13.000

It's one of the things we hate about zoom webinars that we don't have

01:49:13.000 --> 01:49:15.000

that option.

01:49:15.000 --> 01:49:17.000

Of seeing one another and just having a conversation.

01:49:17.000 --> 01:49:31.000

So I really appreciate your taking the time to do that.

01:49:31.000 --> 01:49:35.000

We do want to take this time as we do every year to recognize some of,

01:49:35.000 --> 01:49:37.000

I think everyone has gone above and beyond this year.

01:49:37.000 --> 01:49:41.000

And our art kinds of ambassador activities have been a little bit

01:49:41.000 --> 01:49:44.000

different this year because we haven't gone to a lot of conferences or

01:49:44.000 --> 01:49:45.000

mats.

01:49:45.000 --> 01:49:46.000

At a member meeting or any of that.

01:49:46.000 --> 01:49:47.000

But we,

01:49:47.000 --> 01:49:50.000

we do want to recognize some specific projects and people that have

01:49:50.000 --> 01:49:53.000

done extraordinary things on behalf of our collaborative work

01:49:53.000 --> 01:49:54.000

together.

01:49:54.000 --> 01:49:58.000

So I am going to proceed to share a couple of awards.

01:49:58.000 --> 01:49:59.000

Our pioneer wards.

01:49:59.000 --> 01:50:00.000

Is w.

01:50:00.000 --> 01:50:02.000

An award that we give to a knowledge acknowledge,

01:50:02.000 --> 01:50:04.000

sort of a lifetime achievement award.

01:50:04.000 --> 01:50:05.000

Or some of our friends who have retired.

01:50:05.000 --> 01:50:06.000

And Susan Barbuda.

01:50:06.000 --> 01:50:07.000

From North Carolina.

01:50:07.000 --> 01:50:09.000

Community college system of retiring.

01:50:09.000 --> 01:50:11.000

Actually bashed delivers. I think it's our last days.

01:50:11.000 --> 01:50:13.000

She's not able to be there with us.

01:50:13.000 --> 01:50:18.000

But Susan.

01:50:18.000 --> 01:50:22.000

Ran B as run the she's the executive director of the North Carolina

01:50:22.000 --> 01:50:23.000

student success center,

01:50:23.000 --> 01:50:27.000

which serves all of the North Carolina community colleges.

01:50:27.000 --> 01:50:30.000

And she worked closely with the 58 call community colleges throughout

01:50:30.000 --> 01:50:34.000

North Carolina to implement some new ways of doing placement testing.

01:50:34.000 --> 01:50:40.000

I know there's North Carolina folks here, so I hope you'll chime in.

01:50:40.000 --> 01:50:44.000

There new ways of abbreviating the path of

01:50:44.000 --> 01:50:47.000

remediation so that students could get into gateway courses and have

01:50:47.000 --> 01:50:48.000

co-requisite instruction.

01:50:48.000 --> 01:50:50.000

To support them when they got there.

01:50:50.000 --> 01:50:51.000

Been working on some new models of.

01:50:51.000 --> 01:50:53.000

Bridge programs with the high school,

01:50:53.000 --> 01:50:56.000

any of the North Carolina folks want to add anything?

01:50:56.000 --> 01:50:59.000

I know there was some folks, many.

01:50:59.000 --> 01:51:05.000

Any of them had to jump off because they call right now.

01:51:05.000 --> 01:51:09.000

Yeah, I have two things going at the same time here because.

01:51:09.000 --> 01:51:13.000

That big call is happening right now. So I think they had to jump off.

01:51:13.000 --> 01:51:15.000

You got a personal relationship with Susan,

01:51:15.000 --> 01:51:16.000

you want to share a little more?

01:51:16.000 --> 01:51:26.000

Yeah.

01:51:26.000 --> 01:51:28.000

She is just so great to work with. And, you know,

01:51:28.000 --> 01:51:32.000

I think we both were a bit of insomniacs and so a lot of times it

01:51:32.000 --> 01:51:35.000

would be like four, three, four, five in the morning.

01:51:35.000 --> 01:51:39.000

Susan and I would be emailing back and forth and she worked so hard

01:51:39.000 --> 01:51:44.000

for the students at North Carolina. And then now.

01:51:44.000 --> 01:51:47.000

We're really excited about the Cambodia for kids organization that

01:51:47.000 --> 01:51:49.000

she'll be working on in her retirement with her family.

01:51:49.000 --> 01:51:52.000

So that link is down there if you're interested, but she's also.

01:51:52.000 --> 01:51:54.000

A baker.

01:51:54.000 --> 01:51:56.000

I learned that I did not know that about Susan,

01:51:56.000 --> 01:51:59.000

but she also bakes fabulous treats that we're going to have to get her

01:51:59.000 --> 01:52:01.000

to send us one at some point, too.

01:52:01.000 --> 01:52:03.000

Thanks, Dan.

01:52:03.000 --> 01:52:05.000

Yeah, so we wish her all the best. And we'll share this with her,

01:52:05.000 --> 01:52:07.000

with our, with the best wishes from the group.

01:52:07.000 --> 01:52:18.000

Thanks to all who are shared in the chat.

01:52:18.000 --> 01:52:20.000

We also, also, I thought Kristen was going to be her,

01:52:20.000 --> 01:52:24.000

but she's not today. So we have also had this unusual opportunity,

01:52:24.000 --> 01:52:27.000

this work year to work with the state of Texas in a very different

01:52:27.000 --> 01:52:28.000

way.

01:52:28.000 --> 01:52:31.000

So they're not Texas college bridge is not a member in the traditional

01:52:31.000 --> 01:52:32.000

sense.

01:52:32.000 --> 01:52:35.000

But rather a partnership. And we worked with Texas college bridge,

01:52:35.000 --> 01:52:36.000

which.

01:52:36.000 --> 01:52:38.000

Grew out of the pandemic.

01:52:38.000 --> 01:52:41.000

Under the leadership. We did a webinar on this last month, but it was,

01:52:41.000 --> 01:52:43.000

it grew out of the pandemic under the leadership of a nonprofit

01:52:43.000 --> 01:52:45.000

organization called the commit.

01:52:45.000 --> 01:52:47.000

Partnership in Dallas county.

01:52:47.000 --> 01:52:50.000

And this group at the commit folks, Kristin Edney,

01:52:50.000 --> 01:52:51.000

and to increase more there.

01:52:51.000 --> 01:52:54.000

Cultivated these relationships with secondary and post-secondary

01:52:54.000 --> 01:52:58.000

leaders.

01:52:58.000 --> 01:53:02.000

And really created a path for juniors and seniors to get

01:53:02.000 --> 01:53:05.000

entrance into college without a standard placement exam without their

01:53:05.000 --> 01:53:09.000

Tia. And they were just.

01:53:09.000 --> 01:53:12.000

Guaranteed a place in a gateway course if they completed this Texas

01:53:12.000 --> 01:53:14.000

college bridge program for both math and English,

01:53:14.000 --> 01:53:16.000

which is built off of ed ready.

01:53:16.000 --> 01:53:18.000

So it's just a different kind of model.

01:53:18.000 --> 01:53:20.000

There was a, there were other partners in that project as well.

01:53:20.000 --> 01:53:22.000

So just sort of seeing how a state level.

01:53:22.000 --> 01:53:25.000

Project could be creative for a very specific purpose customized for

01:53:25.000 --> 01:53:26.000

that purpose.

01:53:26.000 --> 01:53:28.000

And, and, and built out.

01:53:28.000 --> 01:53:30.000

Nicole. Do you want to, you've worked really closely with these folks.

01:53:30.000 --> 01:53:33.000

You want to say anymore about that.

01:53:33.000 --> 01:53:34.000

Putting her on the spot.

01:53:34.000 --> 01:53:35.000

And I think Nicole is here.

01:53:35.000 --> 01:53:36.000

Oh, she was before auntie.

01:53:36.000 --> 01:53:38.000

Do you want to jump on that call too?

01:53:38.000 --> 01:53:44.000

As far as.

01:53:44.000 --> 01:53:47.000

What's going on in, in North Carolina, but with X college bridge,

01:53:47.000 --> 01:53:50.000  
I've also been attending today.

01:53:50.000 --> 01:53:54.000  
A meeting that the Texas higher education coordinating board

01:53:54.000 --> 01:53:56.000  
has been doing. And there was a lot of talk.

01:53:56.000 --> 01:54:01.000  
On that conference today, which is really exciting.

01:54:01.000 --> 01:54:04.000  
About Texas college bridge and the great numbers that have come out

01:54:04.000 --> 01:54:06.000  
there because for the different college readiness tools.

01:54:06.000 --> 01:54:15.000  
That they've used in relation to house bill five.

01:54:15.000 --> 01:54:19.000  
The Texas college bridge numbers seem to be exceeding all of those

01:54:19.000 --> 01:54:20.000  
other preparation items.

01:54:20.000 --> 01:54:31.000  
So we're really excited about that and really excited that.

01:54:31.000 --> 01:54:34.000  
It's not only gone from the Texas education agency,

01:54:34.000 --> 01:54:36.000  
which helped fund all of this, but now the next,

01:54:36.000 --> 01:54:39.000  
the Texas higher education coordinating board is really getting

01:54:39.000 --> 01:54:40.000  
involved and really,

01:54:40.000 --> 01:54:42.000  
really seeing the benefits and helping to spread the word too.

01:54:42.000 --> 01:54:47.000  
So we were actually in their slides today.

01:54:47.000 --> 01:54:50.000

Well, I think that that unbelievable cooperation between secondary and

01:54:50.000 --> 01:54:53.000

post-secondary at the highest levels of the state is really

01:54:53.000 --> 01:54:55.000

unprecedented. And so it's going to be interesting to watch,

01:54:55.000 --> 01:54:58.000

and I love the way folks are collecting data on the efficacy of all of

01:54:58.000 --> 01:54:59.000

these programs. So we really appreciate that. So,

01:54:59.000 --> 01:55:01.000

Woo for Texas college bridge.

01:55:01.000 --> 01:55:05.000

The next person we want to acknowledge is the individual ambassador of

01:55:05.000 --> 01:55:07.000

the year. Amanda, are you still here?

01:55:07.000 --> 01:55:08.000

Amanda. Bye. Right.

01:55:08.000 --> 01:55:12.000

I am. Oh my goodness.

01:55:12.000 --> 01:55:16.000

Has been a wonderful ally of ours in figuring out how we best work

01:55:16.000 --> 01:55:19.000

with secondary institutions for a long, long time. And.

01:55:19.000 --> 01:55:20.000

Some of the best.

01:55:20.000 --> 01:55:23.000

You you provide support for teachers and districts across the section

01:55:23.000 --> 01:55:24.000

of the state of Iowa.

01:55:24.000 --> 01:55:33.000

As a regular part of your job.

01:55:33.000 --> 01:55:36.000

But you've also been a wonderful participant to helping us plan events

01:55:36.000 --> 01:55:38.000

for our members, participating in webinars,

01:55:38.000 --> 01:55:41.000

working with Jason Knifer to run that tech jam that everybody loves

01:55:41.000 --> 01:55:46.000

every year.

01:55:46.000 --> 01:55:49.000

And last week we had the privilege of working with Amanda at de Lac,

01:55:49.000 --> 01:55:52.000

where she did a PechaKucha on our, on our project.

01:55:52.000 --> 01:55:55.000

She was on standby for attending that conference and then use some of

01:55:55.000 --> 01:55:56.000

her own funds to get there.

01:55:56.000 --> 01:55:57.000

Share on our behalf.

01:55:57.000 --> 01:56:01.000

And I'm also pinch hit because Ben drew a low from ISD.

01:56:01.000 --> 01:56:04.000

87 Was supposed to be at that meeting. And at the last minute,

01:56:04.000 --> 01:56:05.000

I couldn't make it.

01:56:05.000 --> 01:56:08.000

And Amanda helped us virtually bring Ben into that meeting as well.

01:56:08.000 --> 01:56:13.000

So she had to do tech support for us as well as all of the people.

01:56:13.000 --> 01:56:16.000

So I just wanted to thank you. In addition, she managed to have a,

01:56:16.000 --> 01:56:20.000

to grow her family this year. So as a, as a, as a mom,

01:56:20.000 --> 01:56:22.000

And dealing with a sick baby this morning and you still made it here.

01:56:22.000 --> 01:56:23.000

Thank you so much.

01:56:23.000 --> 01:56:24.000

Well, thank you very much.

01:56:24.000 --> 01:56:26.000

We'll be sending you this, this little,

01:56:26.000 --> 01:56:27.000

this little trophy in the mail.

01:56:27.000 --> 01:56:33.000

Oh, that's so nice. I'm so excited. Thank you.

01:56:33.000 --> 01:56:39.000

And then of course, Gwen, are you here?

01:56:39.000 --> 01:56:44.000

Hi there. Come on.

01:56:44.000 --> 01:56:49.000

Ivy tech has done amazing things.

01:56:49.000 --> 01:56:51.000

What it is like to scale on a dime.

01:56:51.000 --> 01:57:02.000

Thank you so much.

01:57:02.000 --> 01:57:06.000

When your team has shared over and over again at conferences on

01:57:06.000 --> 01:57:08.000

webinars, we've tracked everybody,

01:57:08.000 --> 01:57:09.000

your progress you've been featured in papers.

01:57:09.000 --> 01:57:12.000

You continue to track the data on the efficacy of what you're doing

01:57:12.000 --> 01:57:13.000

there.

01:57:13.000 --> 01:57:17.000

And I'm so generously sharing the tips that have made your scaling

01:57:17.000 --> 01:57:18.000

success.

01:57:18.000 --> 01:57:19.000

Others.

01:57:19.000 --> 01:57:22.000

We love this work and we love and rock. So thank you so much.

01:57:22.000 --> 01:57:25.000

We've been promising data for a long time. Now,

01:57:25.000 --> 01:57:27.000

since about two or three webinars.

01:57:27.000 --> 01:57:30.000

We gave, but actually our data scientists.

01:57:30.000 --> 01:57:33.000

Are done with that work and they will be presenting it to the provost

01:57:33.000 --> 01:57:38.000

and a small team in a couple of weeks.

01:57:38.000 --> 01:57:42.000

So we're not only looking at the success rates of students using ed

01:57:42.000 --> 01:57:45.000

ready for placement, but all our placement measures.

01:57:45.000 --> 01:57:56.000

So super excited and a little nervous.

01:57:56.000 --> 01:58:00.000

Early data show that students placing with ed ready do

01:58:00.000 --> 01:58:03.000

almost as well or better, depending on the discipline.

01:58:03.000 --> 01:58:05.000

Then students who use other types of placements.

01:58:05.000 --> 01:58:07.000

So super excited to share that with you soon.

01:58:07.000 --> 01:58:08.000

Thank you so much.

01:58:08.000 --> 01:58:09.000

And then you guys,

01:58:09.000 --> 01:58:12.000

I think this is interesting because you are a level up program that

01:58:12.000 --> 01:58:13.000

you're working on.

01:58:13.000 --> 01:58:15.000

It's not dissimilar to what Texas college bridge is doing. Right.

01:58:15.000 --> 01:58:17.000

Yeah, level up.

01:58:17.000 --> 01:58:21.000

It where we created level up around the Indiana standards instead of

01:58:21.000 --> 01:58:23.000

those national standards.

01:58:23.000 --> 01:58:26.000

And so we're using it for eight through 12th graders as either an

01:58:26.000 --> 01:58:28.000

introductory tool or an.

01:58:28.000 --> 01:58:31.000

Classroom kind of supplemental tool.

01:58:31.000 --> 01:58:35.000

We have, I think 15 schools who have signed on for the fall.

01:58:35.000 --> 01:58:41.000

We're promoting it statewide and really.

01:58:41.000 --> 01:58:43.000

We,

01:58:43.000 --> 01:58:46.000

our president asked us to create it as a way to address learning loss

01:58:46.000 --> 01:58:54.000

because of COVID.

01:58:54.000 --> 01:58:58.000

But as the department of education in Indiana and the

01:58:58.000 --> 01:59:00.000

higher ed commission heard about it, they're like, no,

01:59:00.000 --> 01:59:02.000

we want to do this longterm. So.

01:59:02.000 --> 01:59:03.000

You know,

01:59:03.000 --> 01:59:07.000

really excited to be able to share about that as we move forward as

01:59:07.000 --> 01:59:09.000

well.

01:59:09.000 --> 01:59:12.000

Great. Thank you, Glenn. Thanks so much. And we'll share these slides.

01:59:12.000 --> 01:59:14.000

We'll be able to access all these links to the work of our ambassadors

01:59:14.000 --> 01:59:21.000

too. So, yes. Awesome. Thank you so much.

01:59:21.000 --> 01:59:24.000

We also had a new award this year, which was,

01:59:24.000 --> 01:59:26.000

we just put a call out for everyday heroes.

01:59:26.000 --> 01:59:28.000

So who it was a people's choice award. I mean,

01:59:28.000 --> 01:59:29.000

development had this idea. It's a great one.

01:59:29.000 --> 01:59:33.000

To ask you all to think about folks that have really major your work

01:59:33.000 --> 01:59:34.000

this year.

01:59:34.000 --> 01:59:37.000

We, we created a, a Padlet.

01:59:37.000 --> 01:59:42.000

I'm just going to go there.

01:59:42.000 --> 01:59:44.000

To recognize all of these people with some of the wonderful,

01:59:44.000 --> 01:59:47.000

wonderful, encouraging words their colleagues wrote about them.

01:59:47.000 --> 01:59:54.000

And so some of Melissa was here with us today.

01:59:54.000 --> 01:59:57.000

We we've got Selena more Allen from Pike's peak.

01:59:57.000 --> 01:59:59.000

Who's done amazing things with Jackie submitted her.

01:59:59.000 --> 02:00:02.000

So a number of you, we've got Bartaile on the top of this list. Verge.

02:00:02.000 --> 02:00:03.000

Are you still on.

02:00:03.000 --> 02:00:05.000

Oh, my gosh.

02:00:05.000 --> 02:00:06.000

Thank you.

02:00:06.000 --> 02:00:08.000

Yes.

02:00:08.000 --> 02:00:10.000

Well, people were so appreciative of it.

02:00:10.000 --> 02:00:13.000

Just to hear what people wrote about the folks that have made this

02:00:13.000 --> 02:00:14.000

year possible.

02:00:14.000 --> 02:00:15.000

And really been there to support them.

02:00:15.000 --> 02:00:17.000

Then, and I apologize if I'm leaving anyone out.

02:00:17.000 --> 02:00:18.000

You're on here.

02:00:18.000 --> 02:00:21.000

I'm just looking for the names of people who are with us today.

02:00:21.000 --> 02:00:30.000

But a lot of your schools are represented.

02:00:30.000 --> 02:00:31.000

Just again,

02:00:31.000 --> 02:00:35.000

we will share this link so everybody can read these wonderful stories

02:00:35.000 --> 02:00:36.000  
of how you've been supportive,

02:00:36.000 --> 02:00:38.000  
earned your work across Montana is so appreciated.

02:00:38.000 --> 02:00:40.000  
I love it.

02:00:40.000 --> 02:00:41.000  
Well,

02:00:41.000 --> 02:00:44.000  
if it's fun and if one day we'll be in person and hopefully we'll get

02:00:44.000 --> 02:00:46.000  
to do this even more effects with.

02:00:46.000 --> 02:00:47.000  
At that time, but this day,

02:00:47.000 --> 02:00:49.000  
Terry.

02:00:49.000 --> 02:00:50.000  
Could I just say we.

02:00:50.000 --> 02:00:53.000  
We should. Thank you all.

02:00:53.000 --> 02:00:54.000  
For everything that you do,

02:00:54.000 --> 02:01:01.000  
you guys are amazing to work with and just great partners.

02:01:01.000 --> 02:01:04.000  
But we, we love working with you and continue to be inspired by you.

02:01:04.000 --> 02:01:06.000  
So thank you so much for keeping up the spirit of sharing with our

02:01:06.000 --> 02:01:07.000  
little event today.

02:01:07.000 --> 02:01:10.000  
To remind us all of how, how,

02:01:10.000 --> 02:01:11.000  
how many important things we have to do together.

02:01:11.000 --> 02:01:24.000

So, thank you all.

02:01:24.000 --> 02:01:27.000

Several folks on the call today helped us plan this little event.

02:01:27.000 --> 02:01:28.000

So just a shout out to all these folks.

02:01:28.000 --> 02:01:31.000

A lot of you have had to leave the usual suspects,

02:01:31.000 --> 02:01:34.000

but everyone is always invited to participate more actively as an

02:01:34.000 --> 02:01:36.000

ambassador. Just to email me if you'd like to.

02:01:36.000 --> 02:01:38.000

I get involved a little bit more in some of these planning and

02:01:38.000 --> 02:01:41.000

presentation opportunities we have around the course of a year.

02:01:41.000 --> 02:01:43.000

So with that,

02:01:43.000 --> 02:01:45.000

It was totally right. That we put a student at the center again,

02:01:45.000 --> 02:01:47.000

a Montana student, right. Bert.

02:01:47.000 --> 02:01:48.000

Do you recognize this gal?

02:01:48.000 --> 02:01:51.000

I don't, but I've got Ryan.

02:01:51.000 --> 02:01:52.000

Maybe Ryan knows.

02:01:52.000 --> 02:01:53.000

That was.

02:01:53.000 --> 02:01:54.000

Anaconda student.

02:01:54.000 --> 02:01:55.000

Perfect.

02:01:55.000 --> 02:01:58.000

Yes.

02:01:58.000 --> 02:02:01.000

Actually I recognize the kid in the background with the plaid shirt.

02:02:01.000 --> 02:02:13.000

Really enough. I recognize that kid.

02:02:13.000 --> 02:02:15.000

Well, I love her shirt, right?

02:02:15.000 --> 02:02:17.000

Because I think that's what you guys do all of the time,

02:02:17.000 --> 02:02:18.000

whatever it takes.

02:02:18.000 --> 02:02:22.000

So here's to 20 2122 school year for lots of new possibilities to

02:02:22.000 --> 02:02:24.000

change lives. Thank you all forever.

02:02:24.000 --> 02:02:25.000

Everything you do.

02:02:25.000 --> 02:02:26.000

Take care.

02:02:26.000 --> 02:02:37.000

Thank you. Thanks everybody.

02:06:00.000 --> 02:06:30.000

Thanks. Bye.
