NROC is Changing the Way College and Career Readiness is Approached and Supported

NROC partners with educators to create open and low-cost courses and tools that are designed to recognize every student’s unique learning needs and preferences. These resources can be adapted and scaled to meet programmatic goals in a variety of instructional settings.

Why? Almost half of today’s high school graduates are unprepared for postsecondary studies. Of those, fewer than one quarter will successfully complete college.

WHAT WE OFFER

NROC COURSES  Media-Rich, Learner-Centered, & Pedagogically Diverse

<table>
<thead>
<tr>
<th>NROC MATH</th>
<th>Algebra 1</th>
<th>Developmental Math</th>
</tr>
</thead>
<tbody>
<tr>
<td>NROC ENGLISH</td>
<td>Developmental English</td>
<td></td>
</tr>
</tbody>
</table>

NROC courses can be installed in a Learning Management System (LMS) or accessed through our web-based tools.

WEB-BASED TOOLS  Open and Designed for Institutional Customization

| EDREADY       | EdReady.org        |

EdReady is an adaptive learning platform that personalizes a student’s path to math and English mastery.

| HIPPOCAMPUS   | HippoCampus.org    |

HippoCampus is a curated repository of thousands of multimedia learning objects from NROC and other respected providers, including Khan Academy, PhET, and NOAA.
WHO WE WORK WITH

Secondary
Postsecondary
Adult Education

When your institution, system, or state becomes an NROC member, you enjoy affordable, unlimited access to NROC’s courses and tools, as well as thoughtful instructional resources, timely professional development, and responsive implementation and technical support. What’s more, you gain a network of connected, inspired, and highly skilled academics who regularly share how their practices are opening doors for learners historically left behind.

JOIN US!

If you are interested in learning more about how NROC courses, tools, and membership can support your initiatives, contact us today.
