EdReady is an adaptive learning platform that personalizes a student’s path to math and English mastery.

In collaboration with the NROC Customer Success Team, institutions customize EdReady to support learning. Here’s how it works.

**EdReady SUPPORTS:**
- ✓ Just-in-time learning and accelerated learning
- ✓ Grade-to-grade transitions
- ✓ Dual enrollment / early college / P-TECH programs
- ✓ High school completion
- ✓ College and career readiness
- ✓ Low-stakes, formative assessment for placement
- ✓ Co-requisite education
- ✓ HSE / GED, CASAS, TABE, or NRS preparation
- ✓ Teacher preparation

EdReady puts educators in control.

**Goals**
You define what you want your students to be ready for.

**Scopes**
You tailor the study paths and diagnostic assessments your students use.

**Resources**
You choose which vetted and award-winning multimedia learning resources students can access.

**Data Access**
You set EdReady administrative users’ permissions, including who has access to which student data.

**Readiness**
You develop the messages that students see when they reach or eclipse their EdReady target score.

What’s next for your students?
