## CSS SPRING EVENT A SUCCESS!

Thank you to everyone who participated in the April Circles of Support event. It was a resounding success. We enjoyed spending time with you in person after such a long time away, and are very grateful for your generosity to our mission.

This year, **\$114,000** in net revenue was raised for our under-funded and unfunded programs and services. We wish to thank our event attendees, sponsors and those who made in-kind donations.

The video that was presented features two of our devoted frontline staff members. Please have a look if you missed it [here](#).

## Zumba is Back at CSS Academy

CSS is starting Saturday Zumba classes again at CSS Academy in Brookfield. Class starts at 9:00 a.m. and will take place every Saturday throughout the summer. RSVP to Cassie Colucy at [Ccolucy@cssservices.org](mailto:Ccolucy@cssservices.org) or 708-354-4547 ext. 191. This class is open to people of all abilities in the community.

\*Class can be modified depending on needs.

## Community Programming is Resuming

As we welcome the warm weather, our participants are looking forward to resuming community outings. These excursions were put on hold for so long during the COVID-19 pandemic and our participants are looking forward to exploring their communities once again. Their wish lists include making the following field trips and excursions this summer: **Chicago Art Institute, Lincoln Park Zoo, Brookfield Zoo, Shedd Aquarium, Museum of Science & Industry, and Scamp Art Studios.**

# THANK YOU!

We also wish to thank FourteenSixteen in LaGrange for hosting our **April Guest Bartender Night** as well as CSS Board Member, Missy Pignotti, together with Lisa Grusecki and Julie Hennessey of d'April Properties' JL Group. \$1,875 was raised to help fund some of the summer field trips and excursions for our participants.
