History of *Thorp*

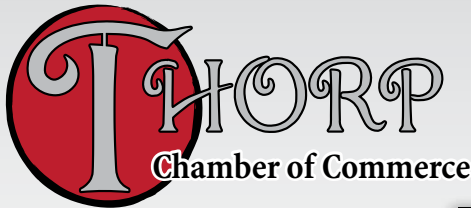

Thorp in 1870 was a land of timber; the abundant pines and hardwoods were the base of the area's first industries, in shingles, barrel staves and charcoal. The earth furnished red clay for bricks used to construct businesses and homes, many of which are still in use.

When James and Ephraim Boardman built the first cabins, there were no roads, not even an Indian trail for a guide. The homestead was ten miles from a neighbor, with camps of Chippewa Indians in what are now the townships of Reseburg, Worden and Butler.

New settlers followed; trails, and then roads were carved out of the wilderness. Farms sprang up on the fertile land, and schools, saloons, general stores and churches were established. Within ten years, there was the beginning of a thriving community. The Village of Thorp was established on May 29, 1893, with a population of 883. In April 1948, the Village of Thorp became the City of Thorp with a population of 1,052.

In the early 1900's, dairying was so well established, farmers brought cheese makers to the area to begin processing our now famous cheeses. These cheeses and traditional sausages can still be purchased as you travel through our beautiful four-season area.

The original Boardman and Indian trails became part of the famous Yellowstone Trail. In the 1920's, this road, which ran from Plymouth Rock in Massachusetts, to Puget Sound in Washington, was the nation's first interstate highway to be completed. In Clark County, it is now identified as Highway's County Road X and State Highway 73. The four corners in Thorp, State Highway 73 and County Road X, are now marked with the yellow stones and signs, which marked the original road. A new movement is in progress to not only retrace the trail in Clark County, but throughout the State of Wisconsin.

*Helping the Thorp
Community Prosper!*

The **Thorp Area Chamber of Commerce's** mission is to strengthen the local economy and serve as a voice of business in community affairs, while recognizing that a healthy business climate is a requirement for a healthy community. Without the support and dedication of our Chamber members, these events and many others would not be possible.

A **BIG thank you** to all the Thorp Area Chamber of Commerce members for volunteering and contributing. If you are interested in joining or learning more, please email us today at thorpareachamber@gmail.com

The **Thorp Area Historical Society** collects & displays ...
 history, genealogies & artifacts of the area & world
 which have affected the local way of life.

We also have a growing collection of early-period farm equipment,
 machinery, clothing, household items, books & war memories.

Included in a portion of our building is the **Telephone Heritage Room.** While walking through the museum, you will be able to see over 100 telephones from around the world. The museum portrays the stages of development and demonstrates through its displays

the progression of the telephone industry from the late 1800's to the present. It is the only museum of this kind in the state of Wisconsin, and the Thorp Area Historical Society is proud to have the opportunity to share it with the rest of the world.

Thorp Dairy Days

By Jenny Burkhardt

Thorp Dairy Days has been an annual event happening the first weekend in June that is well known around the area for decades. Hundreds of people attend, including people that come from the surrounding communities. Many families come and enjoy the carnival along with the food stands run by local businesses and organizations. All of the stands have the BEST of what they offer. Some of the well-known items are the Famous Nolechek's Brats and Homemade French Fries at the Lion's & Lioness stand, Grilled Chicken with all of the fixings at the American Legion stand, Burgers and Fresh Deep Fried Cheese Curds at the St. Bernard/St. Hedwig Church stand.

There are pulls put on each day which include Mini-rod, Truck, and Tractor Pulls. There is also a Kiddie Tractor Pull for all of the children to get a taste of Tractor Pulling. Live entertainment is under the pavilion and the Annual Thorp Dairy Days Parade is on Sunday at Noon! There's fun to be had for all ages, so come join us this year.

Thorp's *Amazing Grazing Cows*

By Marene Crabtree

Have you ever seen a purple cow? A cow in rubber boots? Or one wearing swim trunks and goggles? Life-size themed cows like these roam around freely in Thorp, Wisconsin, where we're so "head over hooves" for our herd that we let them out to pasture for everyone to enjoy! True . . . there might be other cities and towns that have cow replicas, but ours are unique.

Each of our cows pays tribute to the dairy and agricultural heritage of our community—after all, Thorp is part of Clark County, the #1 county in Wisconsin for dairy farms, milk production, and number of cows (only living, breathing cows were included in this statistic—ours didn't count)! Thorp's bovine beauties do count, however, in terms of the pride they convey for the people, places, and events that make our community a wonderful place to call home . . . and a fabulous place to visit!

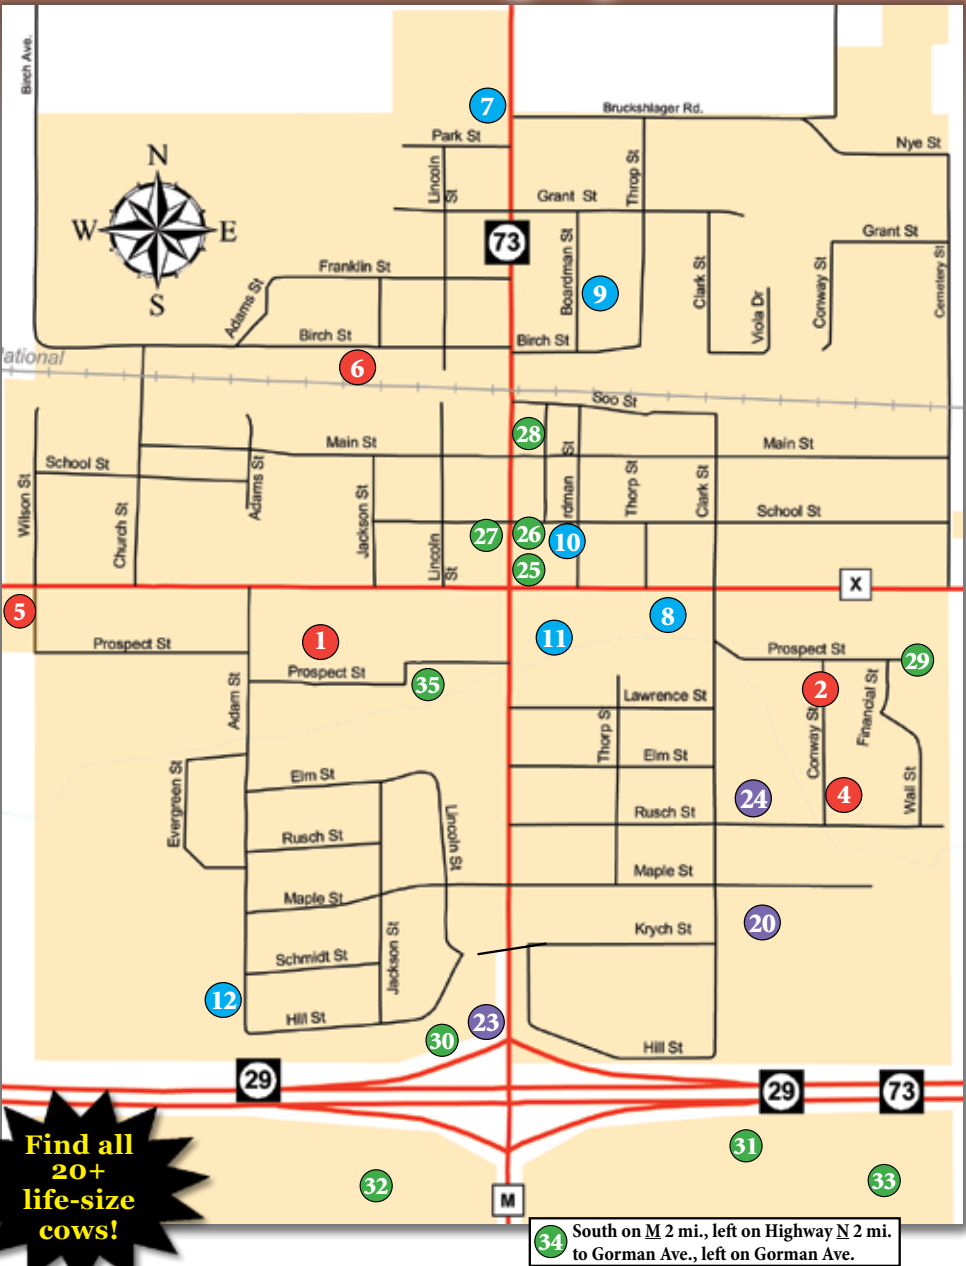

Check off all the cows on page 11 as you "Moo-ve" around Thorp. It'll be "udderly" fun!

Find a
map of all the
cows on the
next page.

Visit www.CityOfThorp.com and tell us your favorite cow and where you are from!

"STOP FOR A SUPER-FAST ONE!"

Thorp Pumpkin Fest

By Karen Andruszkiewicz

Thorp is the place to be the first Saturday in October! It's the Thorp Pumpkin Fest from 9am – 4pm. Downtown Thorp is filled with excitement as Festers come to enjoy the one-day event. The air is crisp and the smell of fall is in the air – or is it the freshly-baked pumpkin items lining the street?

Indoors and on the street, plenty of fun for both young and old alike. The festive environment is enhanced by the variety of music that can be heard up and down the street. Feel free to sit a spell and listen to the Thorp High School Band and Chorus, or if the young ones are antsy, visit the children's area where Randy Peterson will entertain you and your children while the kids can take part in the free pumpkin painting. Don't forget to check out the "Biggest Pumpkin."

With over 150 craft and food vendors, it's a great time and place to get started on your Christmas shopping. There's something for everyone to enjoy at the Thorp Pumpkin Fest!

We hope to see you there.

Thorp *Parks*

DOG PARK
THORP'S
"PET FRIENDLY"
dog park is just
east of the city
limits on
Cty. Hwy. X.

The City of Thorp has 7 named parks, along with several unnamed greenspaces. In all, Thorp's 61.35 acres of park and green space yield more than 39 acres per 1,000 people, well above the 12.5 acre standard.

Thorp takes great pride in its parks. Please place all litter in the receptacles. Dogs on leashes are welcome in Thorp's parks, as long as owners clean up after their pets.

Park shelters can be reserved for a fee of \$25 by calling Thorp City Hall at 715-669-5371.

GARRISON PARK

Garrison Park is located on North Washington Street, nestled on Thorp's quaint and active main street and is .10 acres. It offers a spot to sit and relax, eat lunch or meet friends. It features shade trees, a gazebo, picnic tables and benches.

CONWAY PARK

Conway Park is located in the southwest corner of the city on South Adams Street and is 12 acres. About half of the park is wooded and features a trail for hiking, biking, snowshoeing or cross-country skiing. The park also features playground equipment, a basketball court and a small picnic shelter.

NORTHSIDE PARK

Northside Park is located at the northern city limits on Hwy. 73 and is 11 acres. The park features a fenced and lighted baseball field with concession stand and dugouts. It also features multiple pavilions, restrooms, 4 campsites and hosts several community events including Dairy Days and the Demolition Derby.

YELLOWSTONE TRAIL PARK

Yellowstone Trail Park, formerly known as the City Park, is located in central Thorp along the Yellowstone Trail (Cty. Hwy. X or East Stanley Street) and is 5.5 acres. It features playground equipment, a windmill, fenced and lighted tennis courts, a walking/bike trail, an ice skating rink with warming house and pavilion, 3 sand volleyball courts, horseshoe pits, a large pavilion and restrooms.

KEATING PARK

Keating Park is located in the northeast part of the city on North Boardman Street and is 1.8 acres. It features playground equipment, a lighted basketball court, picnic tables, benches and a drinking fountain.

VETERAN'S PARK

Veteran's Park is located on South Washington Street on the banks of McGrogan Creek and is .25 acres. The park features an army tank and hosts Memorial Day activities each year.

ULICA KWIATÓW ~ STREET OF FLOWERS

Thorp's STREET OF FLOWERS ("ULICA KWIATOW" in Polish) began in 1993 and continues each summer. Greeting visitors as they enter Thorp are beautiful hanging flower basket planters and eleven planting circles. The three touching center circles represent: **Commitment, Celebration & Community.**

With the commitment of several volunteers and donors, we celebrate the pride and joy of living in a small community.

Thank You to the following for making our "Ulica Kwiatow" a reality each year.

Thorp Cardinal Athletics

remains one of the top competitors in the well respected Cloverbelt Conference.

Throughout its history, the student athletes of Thorp have represented the community and school district extremely well in a variety of sports and activities.

Our fan base and community involvement is nothing short of impressive and makes the experience for our athletes something special.

Yellowstone Trail

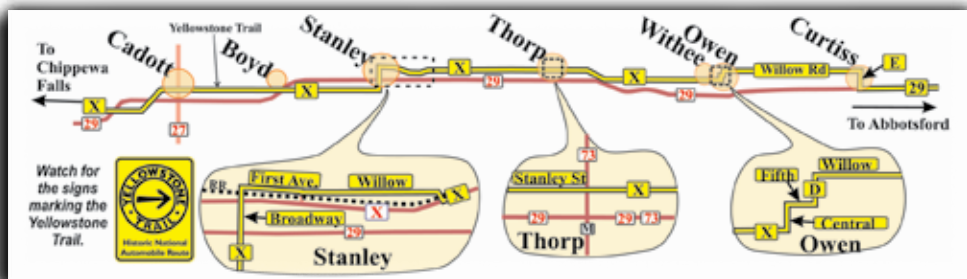

Explore the history of the Yellowstone Trail that runs through Thorp, WI

There are seven unique towns along the Yellowstone Trail (County X). They offer a buffet of little gems like small community parks, turn of the century churches, quaint restaurants and American history.

In 1912, roads were dirt wagon roads – dust and mud. Citizens gathered to improve and connect local roads to make the first coast-to-coast route in the northern tier of states: The Yellowstone Trail. In 1918, Wisconsin was the first to number its automobile highways and governments were starting to fund good roads. By 1929, the Yellowstone Trail was the first Wisconsin highway to be paved with concrete all across the state.

Thorp(e) - Railroad telegraphers dropped the (e) from founder Joseph Gilbert Thorpe's name. This lawyer, lumber baron and State Senator lived in Eau Claire, but never in his eponymous town. Thorp's **Yellowstone Trail Park** is so named because it is on the Trail, (Stanley St., Co. X). The park recently received that name due to a resurgence of interest in the Yellowstone Trail. Outdoor activities there include ice skating and summer live music.

Almost two decades ago, local resident Arnoldine Gulczynski was instrumental in reviving interest in the Trail in the area by placing markers at the main intersection in town, Stanley St. (Co. X, YT) and Co. M. At the same intersection is **Bob's Corner Service** and next to that **Bolt's of Fun Quilt Shop**. In the 1920s and 1930s, Al Capone, the famous Chicago gangster, frequently stopped at this station on his way to his hideout in northern Wisconsin. At the same intersection sits the present **Heritage Court Motel** in a 100 year old building. There is a large yellow rock on the corner of Hwy. X and Gorman Ave. marking the Trail.

TRAVEL ANY DISTANCE FOR ALL YOUR ELECTRICAL NEEDS

By Kimberly Rabuck

In November of 2006, Marieke Penterman, along with her husband Rolf and one other team member made a batch of Gouda cheese with the intentions of starting up a small retail store and keeping themselves supplied with the cheese they so greatly missed from their homeland – The Netherlands. Shortly after winning her first gold award at the United States Cheese Championship in February of 2007, Marieke's small retail store turned into a nation-wide supplier of her handcrafted, artisan, farmstead Marieke® Gouda Cheese.

Twelve years, and over 150 world and national awards later, her team has grown to over 35 members and enjoy modern dairy farming on their creamery right off Highway 29 in Thorp, Wisconsin. Rolf and his team milk 400 cows on Penterman Farm and supply the creamery with fresh, rBGH-free milk that goes from cow to cheese in five hours. Their milking parlor and cheese-making rooms are equipped with large viewing windows, and they offer a variety of tour options you can read about on their website, www.mariekegouda.com.

Plan to stop in at The Thorp Chamber and Tourism's annual Harvest Fest held at Marieke® Gouda on the Saturday after Labor Day to enjoy many family-friendly activities as well as samples of their award-winning Marieke® Gouda Cheese! Contact their retail store by calling (715) 669-5230 or shop online and ship anywhere at www.mariekegouda.com. Come by and taste the Marieke Gouda experience!

On the walk from our creamery to our milking parlor, take your picture with DUTCHess, our 14 foot cow statue.

Exceptional milk makes excellent cheese. We have our cows to thank for that! We treat our cows, or "Gouda Girls" as we like to call them, with love and respect. Come, learn about our free-stall barn, milking parlor, and learn all about the cheesemaking process at our creamery. Our guided tour season runs Memorial Day through Labor Day and free, self-guided tours are available during our off-season, after Labor day and up to Memorial Day.

Marieke Gouda creates award-winning, handcrafted, farmstead, raw cow's milk Gouda cheese. Visit us and meet our Gouda family in Thorp, Wisconsin!

The Marieke Gouda Store boasts more than just our award-winning Gouda; we offer a charming collection of gifts like Wisconsin made candies, meats, wines, beer, and cheeses as well as various items imported from Marieke's homeland, the Netherlands.

Demographic Profile

A population of approximately 50,000 resides in a 25 mile radius. State Trunk Highway 29 and the STH 73/ CTH M interchange are seeing an annual average daily traffic (AADT) of over 20,000 vehicles a day. This is nearly a 43% increase over the past ten years. This, coupled with the recent and planned commercial expansions, makes this area a prime development site.

As the Eau Claire bypass was completed, a four-lane connection between Minneapolis to Green Bay was in place. We're half an hour from Hwy. 53 and the Chippewa Valley Regional Airport, less than an hour from I-39 & I-94 and less than 2 hours from the Mississippi River access at Hudson, WI.

Thorp Public Library

Ever since 1898, the Thorp Public Library has been serving the residents of Thorp and providing services to meet their business, entertainment and educational needs. After major renovations in 2010, the Thorp Public Library has much to offer visitors and everyday users; plenty

of seating for reading or accessing the wireless internet, ADA accessible bathrooms, a lift to the lower level community room and a brighter and more welcoming front entry. The Library is also a favorite place for families and children of all ages since Story Hour is offered year round every Tuesday at 10:30 am and a popular Summer Reading Program is open to all area children throughout the summer break.

Thorp Public Library is a favorite community gathering place, and we invite you come in to see our remodeled facility, access the wireless internet or public computers, download electronic materials, browse from thousands of books or movies, or just relax for a quiet moment to catch up on the local news.
