STALLION DONORS:

Don't forget that under the rules of the Select sire futurity, you may purchase the breeding to your Stallion yourself in order to make his foals eligible for the futurity. Once a stallion's service has been purchased through the Select Sire futurity, the stallion owner and the service purchaser may nominate as many mares as they wish at \$20.00 each. Other owners with mares bred to SSF stallions must pay \$40 for their first mare nomination and \$20 for all additional nominations.

All Stallions must be nominated by Nov 1, 2023

in order for their foals to be eligible to compete in the 2025 Select Sire Futurity. There is no fee for nominating a stallion before this date. Late stallion nominations may be made for a \$250 fee from November 1, 2023 to July 31, 2024. **You must nominate each year.**

The list of stallion nominees will be published on the official POAC website www.poac.org. Mail-in bidding on their services are sealed bids through February 1, 2024. Checks need to be mailed in an envelope of its own marked **SSF Stallion Bid**. They will not be opened until the February Convention. The competitive bidding phase will close during the live auction held during the POAC Convention. After that date, services that have not been sold will be available on a first-come, first-served basis until July 31, 2024.

Stallions must be sold through the Select Sire Service Sale in order for any of their foals to be eligible to compete in the Select Sire Futurity.
